On Thursday, July 25, Rep. Pete Olson an- nounced the City of Houston will re-elect to re-election in 2020 due to family reasons.

For onriors, the voters of our district have placed me in this position and I serve as your repre- sentative in the House of Representatives. The time has come for me to take my own advice and be a con- stituent on the floor that I think is right and will serve me well in my future endeavors. My current term will complete my term in the 116th Con- gress, after which I will not seek re-election.

"Protecting our future and preserving our ex- istence is not easy. It will be a difficult task. But I stand behind you as a member of the 116th Congress. My focus was to strengthen our country, to provide more opportunities for hard-working Americans, and to personally receive supplies and thank donors. Several large donations from local businesses are expected to be track in. This is the second year for the Fill the Bus initiative. Last year's goal of filling one bus was

exceeded by donations that filled three large yel- low school buses.

For those who don’t have time to stop by City Hall, an online donation portal has been estab- lished to cover South Belt community.

Human remains found off Hwy. 3

This marked the second time in less than a month that human remains were discovered in the South Belt area. On July 5, a similar set of remains, including a human skull, were found in a wooded area in the 9400 block of Fugue, near the northeastern intersection of Black- hawk and Fugue. That case is also still under investi- gation. At press time, it was unclear if the two incidents were related. Anyone with information on either of these cases is urged to contact the Houston Police De- partment’s Citizen’s Division at 713-308-3400 or Crime Stoppers of Houston at 713-222-TIPS (8477).

Snapped tree blocks Scarsdale

Storms brought strong winds to the South Belt area the evening of Tuesday, July 30, causing extensive damage in the community. A wind advisory was put in place for the area. A wind gust reached 40 mph. Above, a snapped tree on Arenosa Lane.

Pasadena ISD Communications

The Pasadena Independent School District is teaming up with the City of Pasadena and the Pasadena Chamber of Commerce to bring back the back-to-school experience for thousands of local students this fall.

A backpack is defined as a pack with straps one wears on the back. The exception during the sales tax holiday includes back packs with wheels, which can also be worn on the back like a traditional backpack, and messenger bags. The exemption does not include items that are reasonably described as luggage, briefcases, or handbags.

The Texas Department of Transportation will provide San Jacinto ISD money to help with the development of a transportation metals.

The goal of the grant program is to encourage the development of apprenticeships across the nation, particularly in high-demand occupations, and to promote the importance of applying for the $102 million in state and local sales taxes during the sales tax holiday.

As Texas families begin the process of re- placing their beach bags with bags, Texa- s sales tax holiday is the perfect opportunity to save some money on the supplies families need before heading to the beach this summer. The tax holiday weekend has been on the calendar since 1999 and has expanded in 2009 to include more items.

The compensation package includes a 4 per- cent to 9.49 percent raise for classified employees, 2 percent for teachers, counselors, librarians and nurses, and 1.7 percent for all auxiliary employees. Special education teachers will receive 3 percent for recruitment and retaining a high quality public school system. The 2018-19 Texas Legislature added $9.4 billion to the amount of state funding for public schools, including $4 billion dedicated to public schools in Texas. Texas has more than 940,000 information technology employees today. The state has added $59 billion in state- of-the-art technology to its public schools in the last five years. This has led to increased graduation rates, improved student test scores, and greater access to high-quality teachers.

The City of Houston has announced a new initiative to provide more opportunities for hard-working

The Longhorn Airport from 9 a.m. until 3 p.m. Re- cently, a blood and platelet drive Saturday, Aug. 10, at the Neighborhood Recycling Center at El- lington Airport from 9 a.m. until 3 p.m. Remem- ber to bring in a photo ID and wear a government- issued credit card to schedule an appointment.

The Dobie Cheerleaders have fun this summer at NCA camp at Club Central. Clear Creek ISD is proud to introduce Ms. Shari Leonardi as the new head coach of the Dobie Cheerleaders. Mr. Leonardi brings a wealth of experience and knowledge to our school district. Ms. Leonardi has been a cheerleader at every level, from high school to college, and she has held various coaching positions at the high school, college, and professional levels. She is a former All-American cheerleader and has been recognized for her dedication and hard work. Under her guidance, the Dobie Cheerleaders have continued to excel and achieve great success.

The Dobie Cheerleaders enjoy their time at the camp, working hard and having fun. They are excited to bring their skills and spirit to the field and the stands this season. The Dobie community is proud of their dedication and passion for the sport.

City adds NASA cooling center

The Flood Control District of Harris County announced the construction of a new NASA cooling center to alleviate the effects of the heat wave that has swept across the region. The center, located on the north side of Interstate 10, will provide a much-needed respite for residents and visitors seeking relief from the scorching temperatures. The center is scheduled to open in late July or early August, in time for the hot summer months.

The new cooling center will feature several amenities, including air conditioning, restrooms, and seating areas. It will be open to the public from 10 am to 6 pm daily, with extended hours on weekends. Visitors can bring their own food and drinks or purchase refreshments at the on-site kiosk.

The Flood Control District of Harris County is committed to protecting the health and safety of its residents, and this new cooling center is just one of the many initiatives being undertaken to address the challenges posed by the heat wave. The agency is also encouraging residents to stay hydrated and take other steps to stay safe during the hot weather.

Mr. C’s impact on Rosalies more than words

During her high school years, she has also been active in her music band, the school newspaper, and the National Honor Society, where she has held various positions, including reporter and editor. She has also been involved in the National Art Honor Society and the National English Honor Society. She has volunteered her time to various community service projects, including helping out at a local food bank and participating in a school-wide literacy program.

Rosales believes that education is a gift and that every student has the potential to succeed. She encourages her students to set high goals for themselves and to work hard to achieve them. She has witnessed many students improve their grades and increase their self-confidence through her guidance and support. She is grateful for the opportunity to be a part of their educational journey and to see them grow and thrive.

Rosales has a passion for education and for helping students reach their full potential. She is dedicated to her work and to the students she serves. She believes that every student has a story to tell and that each one can make a difference in the world. She is proud to be a part of the Shining Stars initiative and to contribute to the success of her students.

The Houston Police Department, Clear Lake Division, will be hosting its 2nd Annual School Supply Giveaway on August 3, 2019. The venue for this event will be at the Grace Community Church located at 1840 Gulf Freeway. Our goal is to help lessen the financial burden on families by providing school supplies for the children. Last year’s event was successful and this year will be bigger and better. Come out with the family to get school supplies and enjoy the atmosphere. The children receiving the backpacks must be present.

HPD Clear Lake Division
School Supply Giveaway

Be there!
Clear Brook Wolverines 2018: 3-7 overall, fourth place in 24-6A. In last bidistrict round to Strake Jesuit.

Dobie Longhorns 2018: 7-4 overall, fourth place in 24-6A. In last bidistrict round to Alief Elsberry.

The Wolverines are less experienced on the defensive side of things, but defensive tackle Brandon Canady is the league’s Pتقision Defensive Most Valuable Player.

Dobie put together an impressive 5-3 run last season, making the playoffs for the first time since 2015 before a loss to Class 6A Div I state champion North Shore.

The Longhorns will enter the season third in the playoff picture despite another 7-4 mark, but the more important issue is maintaining the momentum shown over the last few weeks.

In doing so, the Longhorns will turn toDarren Haines, who finished
his third year as the
varsity head coach last season.

Dave Campbell’s Texas football coaching decades have decided that both coaching careers are definitely paying off and there is plenty of excitement and anticipation as the Clear Brook Girls and Dobie Longhorns prepare to begin preseason workouts later this month.

All girls will get started Thursday, Aug. 1, for the Dobie girls volleyball program as they prepare for the season in an undergraduate setting.

The Rising Star Smith Girls’ basketball youth basketball program, also sponsored by the Smith Family Foundation, will also get under way Wednesday, Aug. 8.

Both fourth-place teams a season ago but coming into this season, the Clear Brook and Dobie varsity volleyball programs are in prime shape for the season.

With a powerful group of players and talented senior leaders, the Wolverines are looking at another early season run.

Quarterback Shane Porter is back this season, and his primary focus will be getting the ball into the hands of University of Texas commit, receiver Lorenos Thompson. Thompson was one of the Wolverines most consistent receivers last season with 1,250 yards and 16 touchdowns, including a 70-yard burst of 1,250 yards. He finished 700-100 yards in the bidistrict round to Strake Jesuit.

Clear Springs and La Porte.

Lost in bidistrict round to North Shore.

2018: 7-4 overall, fourth place in 24-6A.

three starters in the backfield are in the same district for La Porte and C.E. King, with just 2,248 students, La Porte pulled off a 42-12 overall finish.

The Wolverines defeated Dobie in the last season opener that was held at Friendswood, High School.

Best of luck to all teams in the South Belt area as the season kicks off the first time since the Mustangs.

Dobie Longhorns' Preseason

Thursday, Aug. 1 – Mandatory parents’ meetings, 9 to 10:30 a.m. equipment field house; freshmen, 11 a.m. to 12:30 p.m., Dobie campus.

Friday, Aug. 2 – Mandatory players’ meeting, JV and varsity at 10 a.m., subvarsity at 11 a.m. and freshmen at 9 a.m.

Friday, Aug. 3 – Meet the Wolverines Day and mandatory parents’ meeting, 9 to 10 a.m.

Saturday, Aug. 4 – Meet the Wolverines Day and mandatory parents’ meeting, 9 to 10 a.m. equipment field house; freshmen, 11 a.m. to 12:30 p.m., Dobie campus.

Friday, Aug. 16 – Scrimmage versus Pearland Dawson, at the Rig in Pearland.

Fox carving spot as a rodeo champion

This month Colin Fox is expected to join the Lutheran South Academy football program as a freshman football player, and selected as he might be to become a Pioneer freshman and new addition to the program’s future. For eight years now, and he is not done yet. At the age of 18, Fox has been a great way to spend his focus. To become very good at something or any of the events, you have to put in the practice. That's the idea with rodeo. To become a Pioneer freshman, he has to become a Pioneer freshman, he has to earn his way to the high school level, he will not need to narrow his focus. The motto is to be able to battle for a spot in the national finals in Las Vegas, hopefully sooner rather than later.

We have a lot of fun with it,” said Fox, who continues training with his passion and has spent some time together. Now that he has settled into the high school life, he will need to narrow his focus. The motto is to be able to battle for a spot in the national finals in Las Vegas, hopefully sooner rather than later.

It seems like we are always doing something with our ropes, making sure we maintain a feel for the rope and working with the various events at the rodeo that has his heart.

And while the Foxes have plenty of former high school rodeo experience, Fox has done a lot of different events. Fox also has been a part of the South Houston high school rodeo team. In fact, he has competed in events such as calf roping, team roping and bareback riding. That’s the idea with rodeo. To become very good at something or any of the events, you have to put in the practice. That’s the idea with rodeo.

For now, Fox is all about his football career. He played some baseball and possibly a little more baseball with his first love, but he sure is pretty good at conditioning work in both roping and calf roping. I’ve been doing this rodeo act for most of my life now, and I’m really looking forward to making that jump to the high school level.

It should be a lot of fun. Off the field, there is also a lot more work involved with the new level of competition coming along. Like the football team now, Fox has traveled all over the country to compete in rodeos. It has been a great way to spend time together. Now that I’m moving to the high school level, I’m looking to do more.

Former Gator arm impressive with Toronto organization

The Toronto Blue Jays invested a late 34th round pick in San Jacinto College right-handers Argenis Quinones following the 2019 collegiate season and now the match has yielded work. Quinones, a native of Ave- nhino, Puerto Rico, went three hitless innings in his most recent relief outing July 29 for the Vancouver Canadians, helping the team to a 6-2 win that put the team a share of the league lead in the Northwest League. Although Quinones is new, he has been throwing heads since being drafted, striking out 19 batters over 23 innings with 10 strikeouts and 23 Ks after his latest outing. At San Jacinto, Quinones was also a reliever as he has pitched for the Gators to a 42-12 overall finish.

At right, there’s a true rodeo cowboy in the South Belt area as the season kicks off the first time since the Mustangs.

**Sports Calendar**

**THURSDAY, AUGUST 1, 2019**

**AA Meeting** – Meeting at CrossRoads UMC on Wednesday, Aug. 7, 8 p.m. In the Fellowship Hall.

**Clear Lake Bridge Club** – Monday through Thursday at 7:30 p.m., 16614 Sea Lark St., in the Brook Farms Civic Center. For more information, call 281-487-8787.

**Brook Farms Kibbutz** – Wednesday, Aug. 7, 7 p.m. Meet and play Duplicate Bridge, 430 Brook Farms Drive.

**Al-Anon Meeting (Women Only, English)** – Meets Sundays, except Mother’s Day, Easter and Christmas, 2 to 3:15 p.m., First United Methodist Church, 1062 Fairmont Blvd. For details, call 281-487-8787.

**CELEBRATE Recovery – A Faith-Based Drug and Alcohol Recovery Program** – 4th Annual 13-Step Program. Sundays, 5:30 p.m., at the Chapel at Life Church, 9900 Saddlebrook, League City, TX 77573. For information, direct email to coach Tiffany Nickel (girls) at TNCross@paulasan.com

**Harry Memorial Scholarship run planned**

Fifteen years ago, the late Barry Harris, a former local resident and former Dobie High School assistant athletic director, created a scholarship fund in his name. The Harris Memorial Scholarship is a memorial fund in honor of Barry’s love of the game of baseball, his passion for coaching and his abilities as a person. Barry had the chance to perform at a major league level, but due to an untimely death in 2004 at the age of 36, his impact was cut short.

The 2019 Fourth of July Harris Memorial Scholarship run is set to take place on Saturday, July 6. The event, complete with a certified course, is set to take place at Blackhawk Park, 10030 Scarsdale Blvd. For details, call 281-484-9243.

Because of a trade and his own personal circumstances, Barry had to leave the major leagues before his time. The Harris Memorial Scholarship run is a way to honor Barry's memory and let his legacy live on through the many Dobie High School football programs, visit the district website at www.pasadenaisd.org. Once there, search for Barry Harris Scholarship, then click on “ Raise money for Barry Harris Scholarship.” For more information, direct email to southbelt5k@yahoo.com. Those who would like to donate to the Barry Harris Scholarship fund in future years. The event, complete with a certified course, is set to take place at Blackhawk Park, 10030 Scarsdale Blvd. For details, call 281-484-9243.

**NEW DirectionS SingLes – Age 50 and older meets the first and third Monday of the month for a driver to arrive and deliver a 2fl .00 run to Walgreens in Pasadena. Call 281-488-2023 for details.**

**Call the Leadership Team – Call the Leader of your choice and deliver a 2$ run to Walgreens in Pasadena.**

**Local news, notes**

For adults who have lost a loved one. Meets Sundays, except Mother’s Day, Easter and Christmas, 2 to 3:15 p.m., First United Methodist Church, 1062 Fairmont Blvd. For details, call 281-487-8787.

Editor's Note: Chris Malveaux is a graduate of Dobie High School. The school graduate and former Houston Oiler, has been this month’s guest on the show. Chris Malveaux has been the Associate Head Coach of the University of Missouri’s women’s softball program. He is following in the footsteps of his coach’s predecessor, Larissa Anderson.

Larissa Anderson promoted Malveaux

Chris Malveaux, a 1995 Dobie High School graduate and former Houston Oiler, has been this month’s guest on the show. Chris Malveaux has been the Associate Head Coach of the University of Missouri’s women’s softball program. He is following in the footsteps of his coach’s predecessor, Larissa Anderson.

Malveaux began his coaching career at Lafayette College in 2005, where he served as the associate head coach. He took over the program's video coordination in 2013, leading the Tigers to a combined 17-year streak of success as an assistant and head coach at National Collegiate Athletic Association Division I level.

Malveaux also served as an assistant coach at Louisiana Tech from 2009-2011. There, he oversaw all video capturing and analysis for the English in Lafayette, Louisiana. He also served as an assistant coach at Louisiana from 2016-17. It marked his second stint with the Ragin’ Cajuns, as he was also an assistant coach from 2009-2011.

The 2010 Louisiana staff was selected as the NFCA South Region Coaching Staff of the Year after compiling a 45-15 record, NCAA Super Regional appearance and No. 12 national ranking. In his five combined seasons at Louisiana, Malveaux was a member of the Sun Belt Conference and Tournament Champions, five NCAA Regionals and two NCAA Super Regionals.

Malveaux also served as an assistant coach at Bradley from 2006-2009 and an associate coach at McNeese State from 2005-2008 and one year as an assistant coach at McNeese State.

In 2014, he helped guide Bradley to its second all-time Missouri Valley Conference Tournament Championship. As a member of the Braves’ coaching staff, he was instrumental in helping them compile an 87-32 record.

In his first season at the helm of McNeese State, Malveaux led the Cowgirls to a 35-27-1 record, NCAA Regional appearance and No. 24 national ranking in his five combined seasons at McNeese. Malveaux was a member of the Sun Belt Conference and Tournament Champions, five NCAA Regionals and two NCAA Super Regionals.
