The will of the majority, and electing new representatives to follow their own agenda, and ignore the people. The Constitution is the law of the land, and we must keep America a strong nation.

Where do we start? By removing the current administration and electing new representatives. It is time to take back our Country under the Constitution. We must remember that we are One Nation under God, and we must never forget that we are One Nation under the Constitution. We must remember that we are One Nation under the Constitution.

We have reached a point where the current administration is acting in a manner that is not in the best interest of the people, and we must take action. The Constitution is the law of the land, and we must keep America a strong nation.

Longtime Kirkmont resident Linda McDonald spent a whirlwind week in the Los Angeles area with her cousin Patricia “Pats” Herd. Pat, an actor, and longtime resident of that area, played tour guide to Linda as they visited most of the famous tourist attractions. Linda and Pat were even stopped on Hollywood Boulevard by a photographic staff from the Jimmy Kimmel Show and their “performance” was actually shown on the show that night. Shown below is Linda, on the left, with her cousin Pat as they visited Universal Studios and took the tour. Pat and her husband, Richard Herd, took Linda to the private magician’s club, The Magic Castle, as seen in the photo on the right. Richard, an actor himself, has had parts in many movies and television series over the years, including playing Mr. Wilhelm in the Seinfeld series. Clear Brook gets late win over Elkins; Dobie falls in final minutes to Gators

A couple of scores in the closing minutes made the difference in Clear Brook and Dobie varsity football games. Clear Brook won its varsity battle against Fort Bend Elkins, 10-7, while Dobie fell to Clear Brook's varsity squad, 20-19.

For the most part, San Jacinto soccer remains unblemished at 5-0.

Although his team's season-opening win was anything but smooth and seamless, as he followed up a 2-1 victory over Northeast Texas Community College with a 1-1 halftime tie, Clear Brook head coach Dan Picado noted that the scoring was anything but a walk away as a winner, to the delight of the home crowd.

The Coyotes, who went on to win the game, scored the only goal in the first half of action between the Longhorns and Dickinson Sept. 11 at South Belt Elementary.

Brook won this round but had difficulties breaking in with a last scoring run.
