## SJC, Pasadena ISD to offer free tuition

At its December meeting, the San Jacinto College Board of Trustees agreed to participate in the Harris County Promise program, a collaboration between SJC and Pasadena ISD that allows many local students to attend the school at no charge.

Also sponsored by Good Reason Houston, the program will begin next fall and is open to all current graduating seniors from Dobie, South Houston and Rayburn high schools. The college kicked off the new campaign this past week with pep rallies at all of the three participating campuses.

"Our goal with Promise is to increase the number of students in our communities who pursue education past high school and to teach

families of potential first-generation students about the value of a college education," said San Jacinto College Chancellor Brenda Hellyer. "With Promise, we plan to increase number of completers, reduce their time to degree, and ensure the economic viability of the families in our community."

The Harris County Promise program is available to all resident seniors, regardless of high school GPA or income. Eligible seniors who become Promise Scholars receive up to three years of guaranteed tuition and fees, assistance with books and additional support to help them complete their degrees.

"All means all," said SJC Vice Chancellor Dr. Allatia Harris, emphasizing the program's

inclusiveness.

Promise is a last-dollar scholarship program, meaning it kicks in only after all other grant and scholarship funding has been applied. Once all other funding sources have been applied, the remaining balance, if any, will be picked up by local donors, Harris said.

To keep the scholarship, students must attend full-time (12 hours) during fall and spring semesters, continue to complete FAFSA or TASFA applications, and earn at least a 2.0 GPA. Students in the program have up to three years to complete an associate degree or other recognized credential.

Officials are hoping to later expand the

Promise program to the remaining Pasadena ISD high school campuses.

"In the future as we analyze the data and the impact of the program, we hope to expand this to other high schools in our taxing area," said Hellyer.

Students wishing to participate in the Promise program must pledge to do so by Friday, Feb. 7; apply to the college by Friday, March 6; submit the FAFSA or TASFA by Friday, April 3; and complete all enrollment steps by Wednesday, July 15.

For additional information about the Harris County Promise program, visit [www.sanjac.edu/harris-county-promise-program](http://www.sanjac.edu/harris-county-promise-program).

## Garcia named impeachment manager

On Wednesday, Jan. 15, House Speaker Nancy Pelosi announced that U.S. Rep. Sylvia Garcia, who represents much of the South Belt community, will serve as one of the seven Democratic lawmakers who will prosecute the impeachment case against President Donald Trump in the Senate.

Sylvia Garcia

These impeachment managers will act in a role similar to a prosecutor in a traditional criminal trial.

"Honored to be one of seven House Impeachment Managers who'll be making the case to the American people," Garcia tweeted Wednesday.

"For me this is about upholding my oath of office. I take my responsibility seriously because we're working to defend our Constitution at a pivotal moment in our democracy."

The other impeachment officers are U.S. Reps. Adam Schiff of California; Jerry Nadler of New York; Zoe Lofgren of California; Hakeem Jeffries of New York; Val Demings of Florida; and Jason Crow of Colorado. Schiff will lead the group.

A graduate of Texas Southern University Law School, Garcia has a lengthy political history in the Houston area, serving in multiple capacities.

"Before Congress, Ms. Garcia served in the Texas State Senate," Pelosi said in a statement. "Previously, Ms. Garcia was the director and presiding judge of the Houston Municipal System and was elected city controller. Ms. Garcia was later elected the first Hispanic and first woman to be elected in her own right to the Harris County Commissioner's Court."

Trump is the third U.S. president to be impeached by the House.

To be officially removed from office, at least 2/3 of the Senate would need to vote in favor of the measure.

No president has ever been removed from office by the Senate.

## Clennis Tyer to retire from HFD

Longtime South Belt resident and local firefighter/paramedic Clennis Tyer will retire from the Houston Fire Department later this month after serving approximately 35 years on the force.

The son of Ben and June Tyer, Clennis Tyer has lived in the area since 1977. After graduating from Dobie High School in 1979, Tyer attended the newly opened San Jacinto College South, where he studied to be a paramedic, riding along with fellow longtime South Belt resident and firefighter/paramedic Dean Baier. Tyer would later also receive a business degree from the area college in 1985.

Tyer said he was first inspired to be a paramedic by watching the TV show "Emergency!" "I've always enjoyed helping people," Tyer said.

Tyer joined the Southeast Volunteer Fire Department along with Baier in 1983, before also joining the Houston Fire Department in 1985. He began his professional career as a paramedic at Station 33 in the Medical Center. Tyer has since been promoted several times, first as engine operator in 1991, then to captain in 1995, then to senior captain in 2000, before landing a position as district chief in 2002.

The emergency responder has been assigned to Station 70 on Beamer since 2005.

He previously worked at other stations, in-

cluding 1 and 55.

Tyer, said, however, that working in the South Belt area was his favorite assignment.

"I've enjoyed being close to home," Tyer said. "I get to do stuff with the kids. I have the luxury of being close and getting to go to all of their functions."

He further recalled how drastically the neighborhood has changed over the years, noting that the area that now houses Beltway 8 used to be all barren fields.

"It's gone from fields to freeways," Tyer said.

Tyer said he is grateful for being able to serve the community in which he grew up.

"What a joy it's been to be in this community," Tyer said. "Everywhere I go, I get to see someone I know."

Tyer and his wife Pam have four children, Katie, Andrew, Jefferey and Kellie. All are Dobie graduates.

He feels fortunate to have also brought his children up in the South Belt community.

"It's such a great place to grow up and raise a family," Tyer said.

Tyer said he plans to remain in the community following his retirement and perhaps do some traveling.

"I'm going to kick back and take it easy."

## Civic clubs to host constable forum

Several local civic clubs and HOAs are sponsoring a candidate forum Wednesday, Feb. 12, at The Gardens, located at 12001 Beamer, to familiarize voters with those running for the position of Harris County Precinct 2 constable. A meet and greet will begin at 6:30 p.m., with the forum starting promptly at 7 p.m.

Participating subdivisions include Sagemont, Ashley Pointe, Glenbrook Valley, Gulf Freeway Oaks, Kirkwood, Meadowbrook Freeway, Rainbow Valley, Riverstone Ranch, Sagemeadow, Sagemont Park, Skyscraper Shadows, Park Place, Park Place Reveille and Scarsdale.

The event is free and open to the public. While the forum was organized to educate residents of the South Belt community, all Precinct 2 are welcome to attend.

All five candidates running for the position have been invited to the event.

"We need all candidates to participate to provide voters the opportunity to evaluate all of the contenders answering the same questions," said Sagemont Civic Club President Kay Barbour.

At press time, all had confirmed to participate in the function except incumbent Chris Diaz, who claimed to have a scheduling conflict. Organizers offered to reschedule the event to accommodate Diaz's schedule but did not hear back from the current constable.

Democratic challengers for the position include Jerry Garcia, George Goffney Jr. and Alberto "Bert" Rivera. Daniel Vela is the lone Republican candidate in the race.

Some organizers have expressed disappointment in Diaz's failure to respond, as they were hoping he might address the current legal allegations against him. (Diaz is currently being sued by 11 former employees who allege the constable illegally required them to support his 2020 re-election campaign.)

"In light of the allegations facing Chris Diaz, I am disappointed he is not participating in the forum but not surprised," said Kirkwood Civic Club President Ericka McCutcheon. "I guess the South Belt is not important enough to Diaz. If he cared about the state of the South Belt, then he would be there."

This sentiment is shared by local business owner and Sagemont Civic Club Treasurer Jeff Turnipseed.

"Declining an opportunity to discuss the issues that matter the most to voters is a disservice to those voters," Turnipseed said.

Candidate questions are to be submitted in advance to [Sagemontcc@gmail.com](mailto:Sagemontcc@gmail.com).

Primary Election Day is scheduled for Tuesday, March 3, with early voting beginning Tuesday, Feb. 18. The general election will take place Tuesday, Nov. 3.

## CCISD to hold board election

The Clear Creek Independent School District will hold a Board of Trustee election Saturday, May 2, to fill two open seats.

Open positions include the District 2 seat currently held by Win Weber and the District 3 seat currently held by Arturo Sanchez.

Weber was appointed to fill the unexpired term of Clear Creek ISD Board of Trustee Chris Reed this past July, following his unexpected death the previous month. A former longtime Clear Creek ISD Board of Trustee herself, Weber was a personal friend of Reed's.

At press time, it was unclear if either of the incumbents was planning to run again.

The school district is currently seeking applications from potential candidates.

## Pct. 2 deputies battle local crime

Deputies from the Harris County Precinct 2 Constable's office have kept busy as of late battling crimes ranging from armed robbery to drug possession.

Three separate local businesses along Scarsdale have been robbed at gunpoint since late December.

The first incident took place Tuesday, Dec. 24, at the Burger King in the 10900 block of Scars-

dale. The suspect was described as a black male standing approximately 6 feet tall.

The remaining two robberies both took place the morning of Friday, Jan. 17, near the intersection of Scarsdale and Beamer, with the Shell gas station and Food Town grocery store being targeted. While the suspect in both robberies was wearing a ski mask, it is unclear if the two inci-

## HFD's Tyer to retire

He will receive visitors at Station 70, located at 11410 Beamer, from 10 a.m. to 4 p.m. A 1979 Dobie graduate, Tyer began his career with HFD in 1985, working at many different stations in multiple positions, eventually climbing to the rank of district chief. Tyer will continue to serve with the Southeast Volunteer Fire Department, where he has also served since 1983.

## Vargas: is South Belt important to Diaz?

This year is not only a year of historical occurrences that only happen once every 100 years. Identical numerals such as 2020 will only happen once this century, followed by the year 2121, 2222, and so on. We should feel fortunate that we are living through a historical account. This year will also showcase many political events that can seal the fate of our local, national, and global communities. Elections 2020.

Politics is known throughout the worlds as a difficult and often covert business where many transactions occur behind closed doors. Politics, as many politicians know it, is who gets what, when, and how. It is a business where good negotiators are capable of getting their agendas passed with minimal pushback. This can be achieved through negotiations conducted in good faith across political ideologies. Nevertheless, also in existence are those negotiators who get their agendas passed via deception, misinformation, or trickery.

As many of you already know, politics has been the great divider, not only in our country but throughout the globe. This should not be happening in the greatest country in the world. All of us should be united through similar goals such as living a safe, financially independent, and healthy lifestyle where neighbors love each other, and our problems are resolved through dialogue instead of brawl.

This year's politics will down out many other important events happening in our communities. This article, admittedly, has some strong political sentiment. It is not intended as an article to divide, but it is intended as an article to bring us closer together by making informed decisions. As a long-time South Belt resident, I would like our neighborhoods to be safer and triumph through stronger communities. I am worried that we as local communities are not holding our elected officials accountable and continue to vote for because they may come serve us lunch, dance with us, or take a photo-op during election season, and later they vanish. We are better than this, we deserve better than this, we are South Belt. An election contest I am closely following

throughout our local elections is the Harris County Constable Precinct 2 contest. This has been an all-out brawl. Unfortunately, it appears the incumbent Chris Diaz has turned to using frowned upon political tactics. As many new sources have reported, it appears incumbent Chris Diaz has used a family member to cause the electorate confusion as to who a candidate by the name of Jerry Garcia truly is. Political trickery is not a new thing, but something that must be called out by us, the constituents. Enough of that.

We as South Belt neighbors must demand that our elected officials answer to us and provide us with the information we all need. Crime is on the rise in our neck of the woods and we must demand to know what we are doing to stop this crime from continuing to occur. Recently, all Harris County Constable Precinct 2 aspirants have been invited to a candidate forum in our area that will occur on Feb. 12, 2020 hosted by local area civic clubs. Most all candidates for this position have confirmed their attendance except our incumbent Constable Chris Diaz. The incumbent's office has stated that he cannot attend due to a prior commitment. Apparently, the hosts of this event contacted the incumbent in attempts to work around his "scheduled" commitments and he was told that the date could be rescheduled to accommodate him, but he refused attendance even with these accommodations by the local civic clubs. What commitment Constable Diaz?

Is South Belt not important enough to show up and answer a few questions we as constituents have? How busy can you be to accommodate your constituents? As a citizen and taxpayer, I too, would like my elected official to endow us with some time for dialogue to see what we are doing with our taxpayer funds and what we are doing to fight crime and make precinct 2 safe. We demand it, and we deserve it. Ok, lets move on.

South Belt, precinct 2, and Harris County primary elections are coming soon, like Feb. 18, 2020, soon. It is imperative that we show up and make our voices heard. We want crime reduction, we want community prosperity, we want a better and prosperous South Belt. Let's make informed decisions and lets demand accountability and transparency.

Texas in 2018 and 2019. The award specifies that no less than \$58,330,000 should be awarded to Hidalgo County for disasters in 2018 and that no less than \$170,193,000 should be awarded to Cameron, Chambers, Harris, Jefferson, Liberty, Montgomery, Hidalgo, and Orange counties for disasters in

## Bill King: A discussion on Refugee Misinformation

The furor surrounding Gov. Greg Abbott's decision to place a one-year moratorium on refugee resettlement in Texas has set off a wave of misinformation about the program his order affected.

The program involved in Abbott's moratorium is the U.S. Refugee Admission Program administered by the State Department. This program has nothing to do with the current crisis on the U.S.-Mexico border.

The U.S. Refugee Admission Program takes applications from people all over the world who have "a well-founded fear of persecution on account of race, religion, nationality, membership in a particular social group, or political opinion." Im-

migration and Nationality Act, Section 101(a)(42). You cannot be in the U.S. and apply for refugee status.

The typical person who is granted refugee status has fled his or her home country and is living in a nearby country that has provided temporary respite.

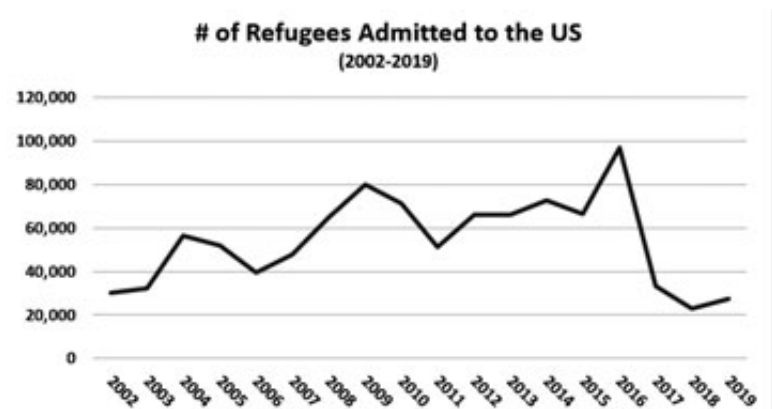

The application process is arduous and takes months or years to complete. The applicants are extensively vetted. Once they are accepted into the refugee resettlement program, they are sponsored by local groups, most of which are faith-based. In Houston, two of the largest resettlement groups are Catholic Charities and Interfaith Ministries. Over 90% of refugees

entering through this program are self-supporting within six months of their arrival.

Also, the refugee program is relatively small. Since 2002, just under one million people have been granted refugee status. That is about 54,000 per year and is dwarfed by the number of legal immigrants admitted to the U.S., which has averaged about one million per year over the last decade.

The number of refugees has fluctuated greatly over time depending on the world situation and each administration's view on the refugee program.

However, thus far in the Trump administration it has run well below the historic average.2

On average about 8 - 9 percent of the refugees have resettled in Texas. In 2019, Texas' population was 8.8 percent of the nation's total population. So, Texas has resettled almost exactly its pro rata share on a national basis.

Next week I will share some additional data on the people who have been granted refugee status. I think you will find it is not what you might expect.

A member of People of Sagemont 2 Facebook group shared videos of an accident that happened Jan. 18, off the frontage road of Interstate 45 South. The videos showed people peeling out in their vehicles from the Bombshells parking lot and driving recklessly onto upcoming traffic.

A member of Pets of Southbelt Facebook group shared a post of free spay/neuter services being offered for all zip codes every Sunday - Tuesday until March. It will be first come, first served starting at 7 a.m. The member advises that pet owners should take advantage of this opportunity to help the over-population of stray cats and dogs in Houston.

Bix Tex Feed Hardware and Pet Supply, 7102 Cullen St. will provide this service. The post has been shared on other social media pages.

A member of Everything Sagemont Facebook group shared a post from South Belt Girls Softball Association.

It is the last week of 2020 spring registration and that means discounts.

The fact that Chris Diaz

is refusing to attend this very important forum gives validity to this statement and I urge all voters to keep in mind that if Chris Diaz feels he does not need the support of our community then we must vote for the candidate who actually wants our support and shows it by attending this forum."

Another member Kristi Niccum Donaho stated "South Belt will need to show up at the polls. Precinct 2 is VERY large...we will all have to spread the word...we have to vote this guy out. Educate yourself on the ones running. Jerry Garcia has my vote. I encourage everyone to show up Feb. 12."

On the same Facebook page another member shared a post of two robberies that happened Jan. 17, at the Shell gas station and Jack in the Box on Scarsdale Boulevard.

The first incident reported at 7:13 a.m. was of an armed robbery in which three suspects robbed a gas station and fled in two vehicles, including a Dodge pickup truck.

The second incident reported at 8:35 a.m. was that of police having received a report that three suspects in a Dodge pickup truck robbed a Jack in the Box at gunpoint.

The incidents are believed to be related as the suspects and vehicle descriptions are the same.

There have been members discussing and giving their points of view on the candidates and if they will be there or not. (See related story on Page 1A.)

John John said, "To all the residents of the Sagemont community and any who are eligible to vote for the Precinct 2 Constable race, I have recently received information that Chris Diaz has recently stated that he did not need the voters support of Sagemont and the nearby communities and stated that he feels he can win this election with just the votes of Galena Park and Jacinto City.

# Roberts Middle: Texas School to Watch

Roberts Middle School was named a Texas School to Watch by the National Forum to Accelerate Middle-Grades Reform and the Texas Association of Secondary School Principals (TASSP).

The school is among only 45 schools in the state of Texas to be selected for the

designation.

Roberts Middle School was selected for the designation for demonstrating excellence in academics, developmental responsiveness, social equity and organizational structure and processes.

Principal Jorly Thomas said recognition as a School

to Watch is the culmination of five years-worth of enhancing educational opportunities for students – which they intend to continue doing for years to come.

“What started with a weaving pursuit of intentional growth and progress years ago is today a ‘Schools to Watch Cam-

pus,’” Thomas said.

The Schools to Watch selection process is based on a written application that requires schools to show how they met rigorous criteria developed by the National Forum to Accelerate Middle Grades Reform. Schools that met the criteria were then visited by state teams, who observed classrooms, interviewed administrators, teachers, students and parents, and looked at achievement data, suspension rates, quality of lessons and student work.

The observation team listed multiple reasons why Roberts was chosen for this recognition, including the following:

- achieved five out of six distinctions through the Texas Education Agency.
- administration conducted regular meetings with staff.
- staff had appropriate responses to student needs.
- students were comfortable communicating.
- campus staff provided frequent communication with parents through different media.

Roberts will be recognized as a School to Watch for a three-year period. After the third year, they must demonstrate progress on specific goals in order to be re-designated.

“We have been able to stretch our vision of what’s possible and then pin that to the present moment,” Thomas said.

“Through our core belief that one person cannot transform a school, we have edited the stories of many of our students’ experience. Thank you for being part of our story,” Thomas said.

Roberts will be recognized in Austin at the Making Middle School Matter Symposium, hosted by TASSP, March 1 – 3.

Pasadena ISD and Roberts Middle School will join recognized school districts across the country at the National Forum Schools to Watch event in Washington DC, June 24-27.

# HAS supports Human Traffic Awareness Day

Staff at both George Bush Intercontinental Airport and William P. Hobby Airport wore blue shirts and other blue apparel on Jan. 11 to show support for the Department of Homeland Security Blue Campaign against human trafficking.

National Human Trafficking Awareness Day is recognized annually in the United States on Jan. 11 to raise awareness among Americans that human trafficking does not just happen in other countries, but in states and communities across the United States.

The Houston Airport System and its airline partners teamed up with U.S. Customs and Border Protection and the DHS in wearing blue to raise awareness on National Human Trafficking Awareness Day.

DHS estimates that human trafficking is a \$32 bil-

lion per year industry, second only to drug trafficking as the most profitable form of transnational crime.

The Blue Campaign is the unified voice for the U.S. Department of Homeland Security's efforts to combat human trafficking. Working in collaboration with law enforcement, government, nongovernmental and private organizations, the Blue Campaign strives to protect the basic right of freedom and to bring those who exploit human lives to justice.

Through the Blue Campaign, DHS raises public awareness about human trafficking, leveraging partnerships to educate the public to recognize human trafficking and report suspected instances.

The Blue Campaign also offers training to law enforcement, airline and

airport staff and others to increase detection and investigation of human trafficking and to protect victims and bring suspected traffickers to justice.

Houston Mayor Sylvester Turner and Houston Aviation Director Mario Diaz signed a memorandum of understanding Oct. 8, with the U.S. Department of Homeland Security and the U.S. Department of Transportation, forging a public outreach campaign to combat human trafficking through a program called Blue Lightning Initiative.

Visit the DHS resources page at <https://www.dhs.gov/blue-campaign/share-resources> to view all available Blue Campaign resources.

To report possible human trafficking issues, call the National Human Trafficking hotline at 1-888-373-7888.

# CCISD recognizes top music students

Thirty-six talented musicians across all five Clear Creek ISD comprehensive high schools were selected as 2020 Texas All-State members through the Texas Music Educators Association (TMEA).  
This is the highest honor a Texas music student can receive and earns these students a spot to perform in one of fifteen ensembles throughout the band, choir and orchestra divisions.  
The process began with more than 70,000 high school students across the state auditioning for one of these coveted positions, with only around 1,500 students being selected in the end.  
The All-State students will now practice together over three days of rehearsals, directed by nationally recognized conductors. They will then perform before more than 30,000 people during the annual TMEA Clinic/Convention in San Antonio on Feb. 12.  
Congratulations to the following students:

Creek High School, Tony Dudley of Clear Creek High School, Brady Raboin of Clear Creek High School, Aidan Vermillion of Clear Creek High School, James Brandt of Clear Creek High School and Bryan Dawn of Clear Creek High School.

# SECTION B SPORTS & CLASSIFIED

## Led state finalist D Brook football picks Duncanville's Towels

Former Duncanville High School defensive coordinator John Towels III has been hired to lead the Clear Brook High School football program into the 2020 season and beyond after gaining Clear Creek ISD board approval following a special meeting Jan. 20.

Towels will inherit a Clear Brook program that made the playoffs in 2018 but struggled to return to form a season ago.

Then-head coach Lupe Florez resigned after collecting five wins over two seasons.

Towels, with 20 years of coaching experience all told, led the Duncanville defense as coordinator for four seasons.

Over each of the previous two, the Panthers reached the Class 6A

Division I state championship game before losing to eventual champion North Shore.

Clear Brook, which will almost assuredly become a 6A Division II eligible program following realignment Feb. 3, reached the regional quarterfinals in 2017 — head coach Mike Allison's final season before he exited for Dawson — but didn't find a similar rhythm under Florez.

Towels should welcome a varsity team with plenty of experience later this fall, particularly on offense. Quarterback Colby McCallister, who drew the majority of work at quarterback, has two years remaining.

At running back, the Wolverines will have both Trent Lacy and Jarren Harbin back.

## Longhorn basketball solidifies playoff chances; Brook slips

Another week, another couple of rounds of tough games as the Dobie and Clear Brook varsity basketball teams continue to push toward the playoffs, or not.

Both the Dobie boys and girls teams are in solid position with respect to the postseason, but still hope to improve their respective standing down the stretch.

The Clear Brook teams,

by contrast, have some work to do but hope to find gold at the end of the playoff rainbow as well.

**Lady Longhorns 7-3**  
With the Dobie girls' 60-14 victory over Pasadena Jan. 21, a showdown for what is likely to be the No. 3 playoff seed looms between the host Lady Longhorns and Humble Jan. 24 at Dobie. Game time is set for 7 p.m.

Dobie fans might remember that it was just a season ago that the Longhorns went to Humble and defeated the Lady Wildcats 45-42 at the buzzer in a winner-take-all game for third place. Dobie used that momentum to reach the second round of the postseason yet again before a loss to Clear Springs.

This season, the Lady

Longhorns already own a 50-46 victory over Humble, so another win at home Jan. 24 would just about seal the deal as the locals look to ensure the best possible playoff seeding.

At this point, Atascocita is at 10-0 following a first-round win over Summer Creek and appears to be headed for a District 22-6A title fight with

the defending Region III champion Lady Bulldogs (9-1).

That leaves Dobie and Humble to battle for the final two seeds, with the rest of the 22-6A field all but eliminated from contention.

**Lendsey aids win**  
Such as in the 22-6A girls' race, things are congested at the top as Summer Creek has used a first-

round win over Atascocita to lead the way at 8-0, with the Eagles of Atascocita just a half game back at 8-1.

Kingwood, which continues to be the surprise performer within the district, has first-round losses to both of the aforementioned teams but is third at 7-2 after a tight first-round win over Dobie.

As for the Longhorns,

the locals clearly hold out hope of surpassing Kingwood for third place and at the very least want to secure the fourth and final playoff seed with still seven games to play.

The Longhorns took a nice step with a season sweep of Pasadena Jan. 21 as Jalen Lendsey came up huge with an 18-point 11-rebound effort as the lo-

## Defending 22-6A boys' soccer champs open with win

Dobie team captain Eli Donaho (7) challenges Summer Creek's David Plaza (15) during the first half of the Longhorns' easy 6-0 shutout win over the Bulldogs Jan. 21 at Veterans Stadium in Pasadena. The Longhorns' Issac Cortez, battling the Bulldogs' Ben Greenwald (7) had two goals and an assist in the win. See more on Page 2B.

## 1993 JFD softball delivered thrills

The Pasadena ISD Athletics Hall of Fame committee will host its eighth annual induction ceremony, recognizing some of the most celebrated names in athletics at PIDSD later this spring.

The event, scheduled for April 4 at Phillips Field House, will add 10 names to its roster, including one team — the 1993 Dobie squad that won the first-ever UIL state championship,

three coaches, five athletes and a family.

As the big event nears, the *Leader* will periodically recall special moments leading up to the Lady Longhorns' first crown, which was later followed by state crowns in 1995 and 1997. The first installment details some little-known facts about that 1993 squad, including a battle just to make the postseason.

## Clear Brook wrestling making mark early on

The District 12 champions a season ago, the Clear Brook boys and girls

wrestling squads are again on the right track thus far in 2020.

Ian Sandoz, a state qualifier along with senior teammate Jacob Ackerman a season ago, has battled through some injuries this season but was back in form to take top honors at the Clear Falls Arm Bar Invitational in

the boys 138-pound division.

Matthew Russell, another Brook senior, was third in the 132-pound division, and girls' newcomer Sydnee Campbell placed third at 165.

"She is (in her first season) this year, and has just shown a lot of intelligence on the mat," 11th-year

Clear Brook coach Ryan Denny said. "We are excited about our entire group of girls moving forward."

Looking ahead on the boys' side of things, Sandoz has signed a letter of intent to wrestle at Wayland Baptist University but still hopes to do top-6 or better damage at state later this season, according to Denny.

## SBHLL registration coming to a close

The Sagemont-Beverly Hills Little League is conducting online late registration as plans for the 2020 spring season continue to take shape.

# LSA swimmers make state bids

David Hensley established a new school record in the 500 free as he led the way for the Lutheran South Academy programs at the Texas Association of Private and Parochial Schools regional competition at the University of Houston.

The old record had stood since 2010, but Hensley put up a time of 4 minutes, 42:24 seconds to grab the new program all-time lead.

The Pioneer boys' team, including Hensley, Chase Ferguson, Charles Maricle, Hunter Nolen, Elliot Miles, Luke LeBlanc and Paul LeBlanc ended up taking second place in points scored.

Now it's on to the state meet as the Pioneers seek more.

# Lutheran South VB scores all-state, AD

Lutheran South Academy senior volleyball player Hannah Stallings headed the list as several Lady Pioneers scored all-district status following the season.

Stallings put together a monster season statistically as she was named a Texas Association of Private and Parochial Schools first team all-state performer.

In addition to Stallings, Lady Pioneers Laura Demchak and Kiersten Lin made the first team, while Lily Pscenic and Skylar Robbins were named to the second team. Honorable mention all-district status went to Lutheran South's Alaina Pink, Tori Burkett and Gayle Henderson.

# Delgado paces Dobie netters at Alvin

Senior team captain Sebastian Delgado is off to a strong start in his bid to finish his high school tennis career at Dobie with a berth in the spring post-season after taking third place in the Alvin Invitational Jan. 17 in Alvin.

Delgado, the Longhorns' top-ranked boys' singles player for two seasons, made his way through a talented field in Alvin with hopes of reaching the final before winding up third in the end in the boys' A singles.

"Sebastian played some really good tennis at a place where really the competition was very good," Dobie head coach Manuel Moreno said.

"He puts a lot out there of himself and does everything he can to be successful. I really admire Sebastian for his work ethic. He has so many things going on inside and outside of tennis, but when he is on the court, he is always doing whatever it takes to be successful.

"He's been that way since he came here to Dobie, and I know he is looking to finish strong here at Dobie for his senior year."

Elsewhere at Alvin, Julia Bui and Kristy Morales combined for play in the girls' A doubles, reaching the quarterfinals before bowing out.

Lael Martinez and Brian Nguen were fourth in the boys' A singles, and Gisell Morales played well early on in the girls' A singles as part of a talented field of competition.

"Overall, I thought our kids played well," Moreno said. "It was competitive in all of the draws, and I thought we held our own well."

"Now we are going to Pearland (Jan. 24), and I expect much of the same. In the spring, you're a little more focused on individual success either in the singles or the doubles. The season goes by fast."

# Myers set to go at Ole Miss

Class of 2017 Dobie graduate Tyler Myers (34) is set to begin his senior season at the University of Mississippi as a reliever with the Rebel baseball program. As a junior in his first season with Ole Miss, Myers made 23 relief appearances, the third-most relief appearances on the team. He finished with 2-0 record and 4.97 earned run average over 38 innings of work, giving up 21 runs on 41 hits and nine walks with 34 strikeouts. The junior college transfer made his Rebel debut against Arkansas State, going a full inning with no runs allowed on one hit, walking one and striking out two. Myers pitched two years at Paris College previously.

# JFD's Mackey completes Houston Marathon

# JFD boys shut out Summer Creek; girls fall

It's just one game, but the Dobie varsity boys' soccer team sent a pretty clear message in its District 22-6A opener Jan. 21, blanking Summer Creek 6-0 with a thorough performance to start league play.

The Dobie program has won five straight district titles, but this is a new season with a fairly new lineup in the mix. Still, the wins keep coming.

In this one, the Longhorns hit the Bulldogs with two early goals in the first half and then duplicated that at the beginning of the second

half to take a comfortable 4-0 lead. From there, two more goals cemented the win. Sophomore keeper Eris Acosta earned the win in the nets as the Dobie defense kept Summer Creek fairly quiet over the course of the 80 minutes.

Issac Cortez led the way with two goals and an assist in the game to give him a team-high of five goals in the early going.

Jonathan Torres, tied for second on the team with four goals, also scored twice, while Anthony Nery and Imanol Pena also tallied goals.

Dobie's Jonathan Men-

dez, Nathanael Delgado and Oscar Medrano had assists for the winners.

The win was good for Dobie as it bounced back from a 2-1 nondistrict loss in its final tuneup match Jan. 15 at Veterans Stadium in Pasadena.

Oscar Beltran scored Dobie's goal on an assist from Cortez, but the Longhorns did suffer their first loss of the season.

The Dobie girls were not as fortunate in their 22-6A opener, also Jan. 21, at Summer Creek.

The Lady Bulldogs, having scored five goals in their season opening tie

against Memorial, scored six this time as they handed Dobie a 6-3 loss.

It's early in the season, but Atascocita, Summer Creek and Pasadena Memorial have set the tone early on. Summer Creek leads the district with 10 goals scored in two matches.

Dobie, which had a team-high seven goals from senior Victoria Chu in Pasadena. Match time is through nondistrict play, 5:30 p.m.

will return to action Friday, Jan. 24, against Pasadena at Veterans Stadium.

The Longhorns got two quick goals in both the first and second halves to ensure the easy win. Isaac Cortez had two goals and an assist, while Jonathan Torres also tallied twice in the win. # Former Cowboy, now Roughneck meets youth Cowboys

Blake Jackson (17) of the Houston Roughnecks XFL franchise, a Dobie graduate and former Sagemont Cowboys youth football player, had a chance to visit with some current Cowboys players at a Roughnecks' practice earlier this month at the University of Houston. Those youth players with Jackson included, left to right, sophomore player A.J. Reed, peewee player Dylan Hernandez and sophomore players Kaisen Troxlar and Luke Stacey.

### 1993 JFD softball overcame much merely to qualify for postseason

**Continued from Page 1B**  
 The 1993 season turned out remarkably well for the Lady Longhorns, but it could have gone much differently had this and that not worked out.  
 It's important to note that Dave Corn had been coach of the Dobie club team prior to 1993 and thus began the season as head coach. He would not finish the season.  
 Abruptly removed as the team's leader during the regular season, Corn was replaced by Martha Dossman, who had been operating in other roles on the Dobie coaching staff prior to agreeing to take over.

It's also interesting what huge a role current Dobie varsity softball head coach Robin Rackley played on the 1993 squad.  
 One of just two seniors on the roster along with Shannon McDonald, Rackley was the team's catcher on the field but was also one of the more outspoken vocal leaders of the team.  
 Does anyone realize that Dobie did not win the district title in 1993 prior to its playoff run?  
 In fact, Texas City went 11-1 to win the league title that season, with its lone loss coming to Dobie.  
 For its part, the Lady Longhorns first had to defeat Deer Park late in the regular season and then had to take on Deer Park again in a special play-off to determine the second-place playoff representative. Had Dobie lost, there would have been no state run.

Whereas today four teams qualify for the postseason, just two teams from each district reached **Youth FB team hosts fundraiser Jan. 25 at EFL**  
 The Houston Cougars Elite 10-under tournament football team will host a fundraiser Saturday, Jan. 25 to help with costs associated with travel to an event in February.  
 Dobie High School graduates Kelton Bailey and Maurice Poulard are coaching the team along with several members of the Sagement Cowboys staff.  
 The Cougars will travel to San Antonio for a tournament Feb. 22-23. The barbecue fundraiser, including brisket sandwiches and the trimmings, will be held Jan. 25, beginning at noon at El Franco Lee Park, 9400 Hall Road.  
 For more information or preorders, call Poulard at 214-394-6797.
