MUD trash times may vary

Due to a major county construction project, trash collection times may vary in the coming weeks for Clear Brook City MUD residents, officials said. To ensure trash pickup, residents should have their trash curbside no later than 6 a.m. Mondays and Thursdays, as collection crews will be working in coordination with construction crews and may arrive earlier than they traditionally did. All Texas Pride Disposal trucks have cameras for verification. This will continue until the road improvement work is complete. Services will not be interrupted.

A project of Harris County Precinct 2 Commissioner Adrian Garcia, the massive undertaking will make street and traffic repairs to nearly 100 roads in the Clear Brook City MUD. Work is being done in the Sageglen, Sagemeadow, Highland Meadow and Wood Meadow subdivisions. Many roads may be diverted or made a temporary one-way street. Drivers are urged to use caution and watch for detour signs. Commuters are urged to avoid construction areas when possible.

Sageglen to meet Nov. 16

Sageglen Community Association will hold its bimonthly meeting at 7 p.m. Monday, Nov. 16, at the Sageglen Community Building, 11610 Sageyork. Guest speaker to be announced. All homeowners are encouraged to attend. Light refreshments will be served. For additional information, email sageglen@sageglen.com or call 281-481-2160.

St. Luke to honor vets Nov. 7

St. Luke the Evangelist Catholic Church, 11011 Hall Road, will hold its annual veterans blessing ceremony at 11 a.m. Saturday, Nov. 7, at the campus Rosary Garden. The event will recognize all church members who have served in the U.S. armed forces and thank them for their sacrifice.

This will mark the final veterans blessing at the church's Hall Road location. All veterans are encouraged to wear their uniforms if possible. For additional information, contact Joe Tristan at 713-249-2662.

Beverly Hills to meet Nov. 6

Beverly Hills Civic Club will host a meeting Friday, Nov. 6, at the Beverly Hills Park community center, located at 10201 Kingspoint Road, from 10:30 to 11:30 a.m. All Beverly Hills residents are welcome to attend.

Sagemont hiatus until 2027

There will be no more Sagemont Civic Club meetings for the remainder of the year due to scheduling conflicts.

Typically held the first Tuesday of the month, the November civic club meeting date falls on Election Day. Civic club leaders encourage residents to exercise their right to vote.

December's meeting has been canceled due to the Christmas holidays. Meetings will resume in 2027, with the first function taking place Tuesday, Jan. 5.

Kirkmont 3, 4 meets Nov. 12

Kirkmont 3 and 4 will hold their annual meeting at 6:30 p.m. Thursday, Nov. 12, at the Kirkmont MUD Building, 10102 Blackhawk. Representatives from Harris County Precinct 2 have been invited to speak at the event.

All homeowners/residents of Kirkmont Sections 3 and 4 are encouraged to attend. The 2027 annual maintenance fees and deed restrictions will be discussed at the meeting, and board members will be elected for the year.

The meeting will feature door prizes and snacks. For additional information, call Noble Enriquez at 346-770-4550.

Beltway closures planned

At least one northbound Beltway 8 frontage road lane will be closed from Spencer Highway to Greenshadow Drive continuously through 11:30 p.m. Thursday, Dec. 31.

The closures are associated with the ongoing project to widen Beltway 8 from two to four lanes in each direction.

Gulf Freeway closures set

At least one northbound and one southbound main lane and frontage road lane on the Gulf Freeway will be closed from SH 96/Calder/Brittany Bay in League City to FM 519/Main Street in La Marque daily from 8:30 a.m. to 4 p.m. and from 8:30 p.m. to 5 a.m. until further notice.

At least one northbound and one southbound frontage road lane on the Gulf Freeway will be closed from Deats Road in Dickinson to FM 2004/Camp Wallace Access in Texas City from 9 a.m. to 4 p.m. until further notice.

At least one northbound and one southbound main lane and frontage road lane on the Gulf Freeway will be closed from FM 519/Main Street in La Marque to Tiki Drive in Galveston daily from 8:30 a.m. to 3 p.m. and nightly from 8:30 p.m. to 5 a.m. until further notice.

The closures are associated with an ongoing construction project to widen the freeway from three to five lanes in each direction and the frontage roads from two to three lanes in each direction.

Nov. 3 general election results tabulated

Dems dominate, regain control of both chambers of Congress

A Democratic wave that swept across Texas and much of the nation Tuesday was reflected throughout the South Belt area, although two traditionally Republican legislative districts remained too close to call at press time Wednesday.

In Texas Senate District 11, Republican Dennis Paul held a lead (52 percent) over Democrat Shannon Dicely (48 percent). Meanwhile, Democrat Albert Wittliff (49 percent) was trailing Republican Scott Bowen (51 percent) in the open House District 129 race. At press time neither race had been declared with 99 percent of precincts reporting.

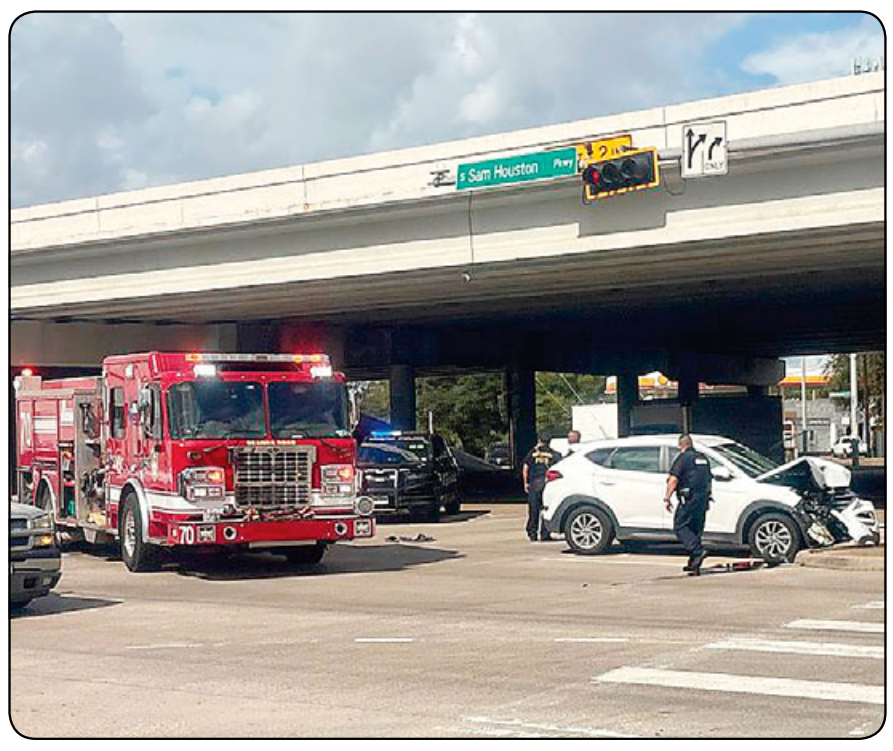

The competitiveness of the two races underscored the Democratic gains seen elsewhere. In House District 144, Democratic incumbent Mary Ann Perez was comfortably ahead, while South Belt voters in newly drawn congressional districts also generally followed the broader trend.

Democrat Leticia Gutierrez (58 percent) led Republican Alex Mealer (42 percent) in Congressional District 9, while Democrat Christian Menefee held a commanding advantage over Republican Ronald Dwayne Whitfield in District 18. Republican incumbent Brian Babin (54 percent), led Democrat Rhonda Hart (46 percent) in District 36.

Democrats also won major statewide contests. James Talarico defeated Republican Ken Paxton for U.S. Senate, while Gina Hinojosa ousted Gov. Greg Abbott. Democrats also won races for lieutenant governor and attorney general.

The trend extended to Harris County, where Democrats held advantages in numerous countywide contests as returns continued to be tabulated.

Cars crash at beltway, Beamer

Emergency personnel are shown above responding to a two-car crash the morning of Tuesday, Nov. 3, in front of the *Leader* office near Beamer and Beltway 8. At press time, it was unclear what caused the accident. Despite the severity of the crash, no one appeared to be injured. The intersection has long been a hot spot for such vehicular accidents. At one time last decade, the crossing was ranked by traffic officials as being one of the most dangerous in the state. *Photo by James Bolen*

Man intentionally strikes teen with car

46-year-old man punches juvenile, then hits with vehicle

A man was arrested Tuesday, Oct. 20, accused of intentionally striking a juvenile pedestrian with his truck in the 10300 block of Blackhawk near Hall Road following an altercation.

According to Precinct 2 officials, deputies responded to a call reporting that a man in a gray pickup truck had punched the juvenile in the face prior to hitting him with the vehicle.

With assistance from the Precinct 2 Special Operations Unit, deputies identified the suspect as 46-year-old Brandon Fowler. Surveillance footage observed by investigators indicates the move was not an accident but a deliberate attempt to run down the teen. The juvenile escaped serious injury.

The Harris County District Attorney's Office was contacted and accepted a felony charge on Fowler for aggravated assault with a deadly weapon (his vehicle). Fowler was subsequently located and taken into custody. Investigators said it was unclear what led up to the altercation.

Alert tip leads to Edgebrook arrest

Woman arrested for open warrant after witnessed snooping

A call about a suspicious woman led to a warrant arrest Monday, Oct. 9, in the 900 block of Edgebrook near Theta.

Kari Strange

According to officials with Precinct 2 Constable Jerry Garcia's office, deputies responded to reports of a woman pushing a baby stroller through a residential neighborhood and peeking into multiple mailboxes along the way.

Upon arrival, deputies located a female matching the description provided and made contact with her. The individual was identified as 42-year-old Kari Strange.

During the investigation, deputies conducted a records check and discovered an outstanding warrant through the Harris County Sheriff's Office. After the warrant was confirmed, Strange was taken into custody and transported to the Harris County Jail, where she was booked on the outstanding warrant.

Sinor retires from San Jac board

College seeks candidates for interim appointment

San Jacinto College board of trustees secretary Keith Sinor announced his retirement from the board after more than 15 years of dedicated service to the college.

Keith Sinor

Sinor made the announcement at the October board meeting.

Sinor, a Pasadena native and former San Jacinto College student, was first elected to the board in 2011. He holds a bachelor's degree in accounting and finance, as well as an MBA, from Texas A&M University. As a certified public accountant, Sinor previously worked for Arthur Andersen and Sinor Engine Company, where he was co-owner and chief financial officer. During his tenure, Sinor served as the chair of the College Finance Committee and as an active member of the San Jacinto College Foundation board of directors.

"Serving on the San Jacinto College board of trustees has been a great honor," said Sinor. "I have had the privilege of working alongside dedicated trustees, faculty and staff who are deeply committed to providing our students with opportunities to succeed and to strengthen the communities we serve. I am incredibly proud of what San Jacinto College has accomplished and grateful to have played a part in this institution's success."

During his time on the board of trustees, Sinor championed the college's growth through the expansion of campuses, construction of new facilities and improvements to existing infrastructure. His support of the 2015 bond program helped secure voter approval of a $425 million package that included the LyondellBasell Center for Petrochemical, Energy, & Technology; new cosmetology and culinary facilities; the Central campus welcome center; and additional classroom facilities across the district. The bond package also funded renovations to nine buildings, most of which were more than 30 years old, and security and safety upgrades throughout the district. His tenure also included the development and opening of the college's Maritime and Generation Park campuses.

Beyond expanding the college's facilities, Sinor remained committed to removing barriers and creating opportunities for students. He championed policies to streamline admissions and transfer processes and was a longtime supporter of the San Jacinto College Foundation. In addition to supporting scholarships for North campus students pursuing industrial technology, Sinor and his wife, Rae, were founding supporters of the Promise @ San Jac Scholarship and chaired and sponsored the foundation's biennial gala benefiting the Promise Scholarship. (See related story on this page.)

"On behalf of the entire board of trustees, I thank Keith for his years of service to San Jacinto College," said Dan Mims, board chair.

SJC reaches $30M @Promise milestone

Funds will provide local students tuition-free education

San Jacinto College and the San Jacinto College Foundation are celebrating a historic milestone that guarantees free college education for local students in perpetuity. The Promise @ San Jac Scholarship endowment has officially reached its $30 million funding goal, permanently securing the long-term future of the program and ensuring that a debt-free pathway to higher education remains wide open for generations of local high school graduates to come.

The completion of this fundraising campaign marks the permanent stabilization of a program that has already transformed thousands of lives. Moving forward, the fully funded endowment will self-sustain, removing financial barriers for all eligible students within the region indefinitely.

Launched nearly six years ago, the ambitious fundraising campaign brought together a powerful coalition of community support, including nearly 500 individual donors and almost 130 companies, organizations and philanthropic foundations. The endowment's foundational momentum was accelerated by a historic, transformational gift from author and philanthropist MacKenzie Scott, alongside multiyear corporate partnerships and critical grants, such as a recent $400,000 investment from the Greater Houston Community Foundation.

"This accomplishment belongs to the entire San Jacinto College community and the hundreds of donors who believed in the power of education to change lives," said Dr. Brenda Hellyer, San Jacinto College chancellor. "From the initial transformational gift from MacKenzie Scott to every dollar invested by our donors, these contributions have helped build an enduring foundation that will serve students in perpetuity. We are incredibly grateful to everyone who helped make this milestone possible. We are changing lives, expanding access, and building a lasting legacy of opportunity for families across our region."

The Promise @ San Jac Scholarship operates as a "last-dollar" scholarship, covering 100 percent of in-district tuition, fees and required books for up to three years or 72 credit hours. It is designed to be radically inclusive: any graduating high school senior or dual-credit graduate who resides within the San Jacinto College taxing district is eligible, regardless of their family's income or high school GPA. The program serves communities across the region, including Pasadena, Channelview, Deer Park, Galena Park, La Porte and Sheldon ISDs, as well as portions of Clear Creek, Humble, and Pearland ISDs.

Since its inception in 2021, the program has achieved staggering success:

– More than13,800 students have enrolled as Promise Scholars.

– Nearly $12 million has been awarded directly in tuition, books and academic support.

– A major educational ecosystem expansion is underway, bolstered by a concurrent $15.3 million grant from Arnold Ventures to integrate the highly successful Accelerated Study in Associate Programs (ASAP) model, providing Promise students with additional structured advisement and financial incentives to accelerate graduation rates.

This communitywide investment reflects a shared belief that access to higher education drives regional economic mobility. By eliminating student debt, the Promise program directly supplies the local workforce with highly skilled graduates in high-demand fields like healthcare, maritime, petrochemical manufacturing, aerospace and business.

For Promise graduate Cynthia Jennings, the scholarship was the precise catalyst she needed

In My Opinion

Vangiessen speaks against war on Iran

Dear editor at South Belt-Ellington Leader,

As President Trump not only refuses to end his illegal war on Iran but considers new strikes, Congress must act. For too long congress has been enabling the current administration by either going along with their plans or by being silent.

Not only people here in our beautiful country are suffering but our allies have been suffering as well. The economic fallout of this war has affected nations around the world. And thousands have been killed, including children and 21 U.S. servicemembers.

Congress must show up and speak for their constituents who roundly oppose Trump's war by rejecting EVERY Pentagon funding bill, including the annual National Defense Authorization Act, Defense Appropriations Act, or standalone legislation that could be used to fund further violence and suffering.

People across the country are struggling in the face of Trump's illegal warmongering: American households have already spent roughly $2,000 extra in economic costs. Our bills could get even higher amidst cuts to healthcare, SNAP, and other vital programs.

Congress must vote NO on authorizing so much as one more dime for illegal war.

Sincerely,

Pamela Vangiessen
South Belt resident

Friendsgiving returns to South Belt/Ellington

The community is invited to gather for Friendsgiving on Tuesday, Nov. 24, at The Gardens Houston, 12001 Beamer Road. PISD opens CTHS, ECHS enrollment

Programs allow students to earn career, college credit

Pasadena ISD is now accepting applications for two of its specialized academic programs for the 2027-28 school year, giving current eighth-grade students an opportunity to pursue either career-focused workforce training or a pathway toward earning significant college credit and an associate degree before graduating from high school.

The district is currently promoting enrollment in its Dr. Kirk Lewis Career & Technical High School and its Early College High School program, which operates in partnership with nearby San Jacinto College. Both programs are designed to provide students with opportunities beyond the traditional high school experience while preparing them for college and careers.

Career & Technical High School

Career & Technical High School serves students in grades 9-12 and functions as a districtwide school of choice. According to Pasadena ISD, students from all district intermediate and high schools, as well as qualifying open-enrollment students, may apply and select from more than 20 career and technical education pathways.

The school emphasizes hands-on learning and workforce preparation. Pasadena ISD states that each pathway provides students the opportunity to earn an industry-recognized certification while receiving training on industry-standard equipment.

In describing the campus mission, the district says, "Students from CTHS will be provided industry-standard training using industry-standard equipment in preparation for future career pathways." The district adds that it strives to prepare students both for postsecondary education and for direct entry into the workforce after graduation.

Beyond technical programs, CTHS students can earn college credit through Advanced Placement, Advanced Placement Preparatory and dual-credit coursework while participating in a traditional high school environment that includes athletics-related activities, clubs, student organizations, competitions and other campus events. Transportation is provided for in-district students.

The campus opened in 2018 and was named in honor of former Pasadena ISD Superintendent Dr. Kirk Lewis. The school was created to expand career-training opportunities and better align education with regional workforce needs.

Early College High School

For students seeking an accelerated college pathway, Pasadena ISD's Early College High School program allows students to simultaneously earn a high school diploma and an associate degree through San Jacinto College. The district covers tuition and textbooks associated with the program.

According to Pasadena ISD, ECHS students begin taking college courses as freshmen and steadily increase their college course load throughout high school. By their senior year, many are focused primarily on college coursework.

The district describes the model as providing "a seamless pathway from high school to college." Pasadena ISD notes that students take college classes alongside their high school coursework, giving them an opportunity to graduate with both a high school diploma and an associate degree from San Jacinto College.

Pasadena ISD's Early College model operates as a "school within a school." Freshmen and sophomores take their college courses on their comprehensive high school campus, while juniors and seniors attend classes at San Jacinto College.

The district says Early College High Schools were originally established to assist first-generation college students and other underrepresented populations. Today, however, the program is open to all students willing to commit to the four-year curriculum, which begins with a summer bridge component before ninth grade.

Pasadena ISD's Early College initiative has been in place since 2011 and has earned recognition from the Texas Education Agency, according to district program materials.

Application deadline approaching

Applications for both specialized programs opened Oct. 1 and will close Dec. 13. District materials indicate that interviews and additional selection activities will occur after the application period concludes, with notification of acceptance decisions scheduled later in the school year.

Pasadena ISD officials encourage interested families to review program information, attend informational events and discuss the opportunities before applying. The applications are available through the district's online student program portal at student-online-applications.pasadenaisd.org/StdInfoLogin.aspx.

Deaths

Carolyn Sue Jones

Carolyn Sue Jones, 91, entered into the presence of her Lord and savior, Jesus Christ, on Oct. 26, 2026.

Carolyn was a beloved wife, mother, grandmother, great-grandmother and great-great-grandmother whose faith, love, and servant's heart touched countless lives.

She was born on Aug. 11, 1935, in Malvern, Ark., to Roy and Marcella Lee. The third of four daughters, Carolyn grew up surrounded by family and lifelong values of faith and devotion. She married the love of her life, Coleman Jones, on July 17, 1953, and together they shared 59 wonderful years of marriage before his passing.

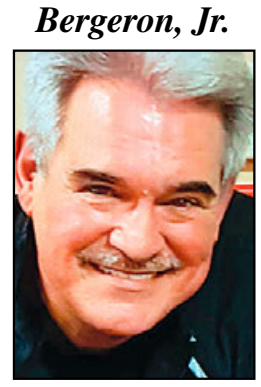

Carolyn is survived by her son Rick Jones and wife, Patti; her son Christopher Jones and wife, Cindy; and her daughter Angela Abel and husband, Jesse. She was a proud grandmother to Melissa Jones, Tara Jones, Matthew Jones, Courtney Guerra, Monica Kaase, and Cody Fountain. She was also blessed with great-grandchildren Elizabeth McMhan, Kali McMan, Hayden Corso, Seven Jones, Hayes Kaase, Jinx Jones, Fields Kaase, Tucker Kaase and Relic Jones; and great-great-grandson, Cameron Canales. She is further survived by her sister, Barbara Gibbs, as well as numerous nieces, nephews, and lifelong friends who will cherish her memory.

Carolyn was preceded in death by her husband; her parents; and her sisters Theresa Bailey and Louise Crouse.

A faithful member of Sagemont Church since 1972, Carolyn devoted much of her life to serving others and sharing God's love. She faithfully served in the church library for many years and participated in numerous mission trips that took her to various parts of the world. Her unwavering faith and commitment to ministry left a lasting impact on all who knew her.

Carolyn will be remembered for her kindness, generosity, steadfast faith and the deep love she had for her family. Her legacy lives on through the generations she nurtured and the many lives she touched through her service to Christ.

David Donald Bergeron, Jr.

David Donald Bergeron Jr., affectionately known as "Coach Dave," met Jesus face-to-face on Wednesday, Oct. 28, 2026, at 6:45 p.m. He passed away at home in League City, at the age of 69, with his wife Linda Kaye Boykin by his side.

David was born on Sept. 19, 1957, in Houston. He grew up in the Sagemont community and graduated from J. Frank Dobie High School in 1976. A standout athlete, he earned multiple all-district honors in both baseball and football.

On Nov. 17, 1979, David married the love of his life, Kaye, in Houston. He became a bonus dad to Courtney Morehead Gordon, whom he loved as his own from the start. David and Kaye went on to welcome three more children: Amanda Kaye Aden, Matthew David Bergeron, and Joshua David Bergeron.

David began his career in the automotive industry at Delta Tire. His larger-than-life personality and uncanny ability to make everyone feel seen and heard helped him build a long and meaningful career in service and sales at dealerships throughout the southeast Houston area, most notably Strickland Chevrolet in Pearland and Classic Chevrolet in Galveston.

David devoted countless hours to coaching Matt and Josh in youth sports in the South Belt area, including the Sagemont Cowboys and the Sagemont-Beverly Hills Little League baseball teams. His former players recount the lengths he went to see them succeed, including driving them all over Texas to various camps, to help them improve and be seen by recruiters. If he was not at practice or games, one could find him tending to the care of the sporting fields, to ensure pristine playing conditions for the athletes. His impact on the young men he coached cannot be overstated. The friendships he formed with his fellow coaches lasted long beyond their years on the field.

He remained a lifelong supporter of his alma mater, J. Frank Dobie High School, where all four of his children graduated, along with the Sagemont Cowboys and Cowgirls organization and the Sagemont baseball league (SBHLL).

Above all, David's life centered on his Lord and Savior, Jesus Christ. Whenever he saw his children, he reminded them to pray and ask Jesus for help. At family gatherings, he never failed to bring everyone into a circle, as he led them in prayer thanking God for his family, blessings and for protection.

David was preceded in death by his son, Matthew David Bergeron, and his parents, Donny and Delores Bergeron. David is survived by his devoted wife; his daughters, Courtney and her husband, Joe, and Amanda and her husband, Brad; and his son, Joshua and his wife, Stephanie. He also leaves behind his sisters Donna Hale (Larry), Denise McMurrough (Richard), and Debbie Bergeron Martens; his grandchildren Jayden Robinson, Dylan Robinson, Benjamin Bergeron, Maddox Bergeron, Allie Marmolejo, Joel Gordon, Olivia Aden Isla Aden, and Peyton Bergeron; and many beloved nieces, nephews, extended family members and friends.

A celebration of life will be announced, at a later date.

Carlos Guerrero Davila

With loving hearts and treasured memories, family and friends celebrate the life of Carlos Guerrero Davila, a beloved father, grandfather, great-grandfather, brother, uncle and friend whose life was filled with love for his family, dedication to his work and a genuine appreciation for life's simple joys. Carlos was born to Teofilo Davila Sr. and Alicia Guerrero in Brownsville, on March 26, 1942. He was the second of eighteen children with whom the family was blessed and held the special distinction of being the eldest son. Growing up in such a large family, Carlos learned early in life the importance of family, hard work, and the bonds that connect generations.

From a young age, Carlos discovered his passion for working on automobiles. What began as an early interest grew into a lifelong career as an automotive mechanic. For Carlos, being a mechanic was more than simply a way to earn a living; it was a calling and a craft he genuinely enjoyed. He took pride in his work, dedicating his hands, knowledge and talents to a profession he loved until his retirement. Of all the blessings in Carlos' life, none were more precious to him than his family. He was the proud father of five children, three from his first marriage and two from his second. His children meant the world to him, and that love extended to his grandchildren, great-grandchildren and the many nieces and nephews who were blessed to call him Uncle Carlos. His family was one of his greatest sources of pride and joy and he cherished the moments they shared. He believed life was meant to be enjoyed. Carlos loved music, celebrations and the opportunity to gather with those he cared about. He appreciated the laughter, fellowship and memories that came from spending time with family and friends.

Carlos' life was not defined simply by the years he lived, but by the love he shared, the work of his hands, the wisdom of his words and the memories he created with those around him. His legacy lives on in his children, grandchildren, great-grandchildren, siblings, nieces, nephews and the many friends whose lives he touched. Although his family and friends will deeply miss his voice, his laughter, his advice and his presence at family gatherings, they will continue to carry his memory in their hearts. Shared stories, family celebrations and familiar songs will remind them of the man they knew and loved. May his memory continue to bring comfort, his wisdom continue to guide and the love he shared remain a blessing for generations to come.

Carlos was preceded in death by two siblings who passed in infancy and childhood, his parents, and his sons Richard S. Davila and John E. Davila.

He is survived by his wife of 25 years, Darlene Davila; sons Carlos S. Jr. Davila (Deana) and Jerry Davila (Carrie); daughter Alicia Davila and daughter-in-law Esmeralda; grandchildren Esmeralda J. Garcia (Danny), Veronica Jones (Eric), Jessica, Alec, Noah, Aiden and Sophie Davila; and great-grandchildren Gabriel and Elijah Garcia, Xavier Franco and Audrey, Owen and Sebastian Jones. He also leaves behind his sisters Emma Bergeron, Vangie Hotchstetler (Johnny), Hope Trent, Linda Sotuyo (Ernest), Coki Barrera, Chris Padilla (Mario), Mary Villareal (Rene) and Cynthia DeAlejandro (Robert); brothers Buddy (Tina), Joe, Henry (Velma), Bobby, Oscar, Peter (Francis) and Michael (Dolores) Davila, as well as a host of nieces and nephews, great-nieces and great-nephews, and great-great-nieces and great-great nephews who were all loved and cherished.

A viewing and visitation for Carlos will be held at Crowder Funeral Home in Pearland, on Thursday, Nov. 5, 2026, from 5 – 8 p.m. A rosary will be recited that evening at 7 p.m. The funeral Mass will be celebrated Friday, Nov. 6, 2026, at St. Helen Catholic Church in Pearland, at 10 a.m., after which he will be laid to rest at South Park Cemetery.

Betty J. Delgado Moreno

Betty J. Delgado Moreno of Houston went home to be with the Lord on Oct. 25, 2026, after her long battle with cancer. She was born in San Antonio June 23, 1957, to Rose Paredes Delgado and Natividad Joe Delgado. She resided in Houston's East End for most of her adult life and was a graduate of Milby High School. Shortly after graduation she began her career in nursing with Kelsey Seybold Clinic where she worked for 35 years. She worked in many different departments and was very much committed to helping people in her medical profession. Betty was a great sister, mother, grandmother, aunt and a friend to many and she will be greatly missed. She fought the good fight and finished the race.

Betty was preceded in death by her parents. She is survived by sister Judge Jo Ann Delgado (Danny); brothers Bobby Delgado (Annette) and Felix Delgado (Lisa); sons, Jesus Salazar III, Jaime Salazar (Cynthia); daughter Jennifer Mexicano (Enrique); grandsons Eric Meicano (Laura), Andrew Salazar, Evan Mexicano and granddaughters Hannah Salazar and Samatha Castillo; nephews Ryan Delgado (Alyssa) Zachary Delgado (Cara); and niece Amanda Delgado.

Sincere appreciation is extended from the family to the wonderful team at Houston Hospice and the professional and caring team at Peevey Funeral and Cremation.

to launch her career. Jennings is now a registered nurse at the University of Texas Medical Branch (UTMB) in Galveston and is actively pursuing her master's degree in nursing leadership and management at Western Governors University.

"Once I received the Promise Scholarship, I began to excel in my academics at San Jacinto College," said Jennings. "I made the dean's list every semester. I am beyond grateful for having received the Promise Scholarship because it allowed me to fulfill my dreams, my career, and my future without financial burden."

With the $30 million endowment officially locked in, San Jacinto College looks forward to hosting community celebrations to honor the donors, industry partners and advocates who turned this visionary program into a permanent regional institution.

South Belters celebrate Halloween

With Halloween falling on a weekend this year, hundreds of area families took to the streets Saturday, Oct. 31, to trick or treat. Several residents went above and beyond when decorating for the occasion. The above residence on Sagemorgan near Sageplum was filled to capacity with scary spooks and goblins to greet trick-or-treaters as they visited the home in search of candy.

Southeast FD gets new ambulance

The recently renamed Southeast Fire Department got a new ambulance to aid in its medical emergency response efforts in the South Belt community. Formerly known as the Southeast Volunteer Fire Department, the organization updated its moniker to more aptly describe the current department, as it is manned by a growing number of paid staff members, rather than volunteers. Shown above with the new vehicle are, left to right, Dean Baier, David Chicas, Daryl Pell, Jacob Johnson, Chuck Tylka, Ed Baker, Colleen Lamb, Sherri Golightly, David Flickinger and David Cino.

KBP brings fairy-tale crime and comedy to the stage

Something suspicious is happening in the land of fairy tales, and Kids' Backporch Productions is on the case. The local youth theater organization invites audiences to enjoy a hilarious double feature of "Law & Order: Fairy Tale Unit" and "Law & Order: Rhymes and Misdemeanors," two family friendly comedies by playwright Jonathan Rand, Nov. 13–15.

Inspired by the popular television crime drama, these laugh-out-loud productions put a ridiculous twist on familiar childhood stories. In "Law & Order: Fairy Tale Unit," detectives investigate crimes involving beloved fairy-tale characters, proving that even happily-ever-afters can have a criminal side. In "Law & Order: Rhymes and Misdemeanors," the investigations continue as classic nursery rhyme characters find themselves caught up in outrageous mysteries and courtroom chaos. Both shows promise plenty of laughs, clever wordplay, and familiar characters behaving badly.

Directed by Stephen Hurst, with assistant director Jenn Townsend, this entertaining double feature showcases the talents of local young performers while offering an afternoon or evening of fun for the whole family.

Founded in Pearland in 2005, Kids' Backporch Productions is a 501(c)(3) nonprofit organization dedicated to providing educational theater opportunities for children and teens throughout the Greater Houston area. Having celebrated its 100th production in 2025, KBP continues to help young performers develop confidence, creativity, communication skills, and a lifelong appreciation for the performing arts.

Performances will take place at Shadycrest Baptist Church Fellowship Hall, located at 3017 Yost Blvd. in Pearland, on the following dates:

– Friday, Nov. 13: 7 p.m.

– Saturday, Nov. 14: 2 and 7 p.m.

– Sunday, Nov. 15: 2 p.m.

Tickets are $15 for adults, $10 for children and $12 for seniors ages 65 and older.

Come support local youth theater and enjoy twice the comedy, twice the mysteries, and twice the fun. For more information and tickets, visit www.kidsbackporchproductions.org.

Taking a break from the "Law & Order" KBP performances are, left to right, Roman Salazar, JJ McDowell, Natalia Peña, Alyssa Powell and Mack Cole.

Pictured holding baked goods, left to right, are Pyka Bliss, Julianna Sutphin, Ellie Pavone, Naira Morales and Lyon Townsend. Natalia Peña is shown in the background.

In police costumes, left to right, are Zachary Schmid, Pyka Bliss, Adaline Hess and Naira Morales who play parts in the fairy-tale "Law & Order" KBP shows.

Catholic Daughters of the Americas attend final meeting at St. Luke's original location

Catholic Daughters of the Americas Court Mother of Unity #2292 attended Mass as a group at St. Luke the Evangelist Catholic Church to celebrate the organization's mission and activities. Several of the members served during the Mass as lector and members of the choir. The day was bittersweet in that they were attending Mass together for the final time in the parish's original building on Hall Road. St. Luke the Evangelist is scheduled to move to a new facility in the Riverstone Ranch community in November 2026.

CDA members embrace the principle of faith working through love to promote justice, equality and the advancement of human rights and human dignity for all. The group's two-fold purpose is "Spirituality and Service": the heart and soul of the organization. CDA gives members a unique opportunity to share their faith with others through action and deeds.

One such example of CDA Court Mother of Unity #2292 at work was their recent back-to-school sock and shoe drive for two area schools. During the month of August, the members collected shoes and socks from the parishioners of St. Luke the Evangelist Catholic Church and the surrounding community. The result: a delivery of 400+ pairs of socks and 150+ pairs of shoes to Meador Elementary and Beverly Hills Intermediate schools. This week they are promoting the WRAP campaign – White Ribbons Against Pornography – a nationwide movement that had members tying white ribbons on trees on the St. Luke grounds. The campaign's purpose is to spread awareness on how pornography negatively affects the brain, heart, spirit and world.

Shown at left is a decorated tree at St. Luke the Evangelist Catholic Church with a white ribbon to bring attention to the White Ribbon Against Pornography campaign.

Sinor retires from SJC board after serving 15+ years

Continued from Page 1

"Keith's steady presence, insight and passion for our students and employees have been unmatched. His commitment to this college and the communities we serve has made a lasting impact, and his thoughtful leadership and friendship will be greatly missed. We are grateful for the many years Keith has devoted to helping San Jacinto College move forward and for the legacy he leaves behind."

Search for a successor

Following Sinor's retirement announcement, the San Jacinto College Board of Trustees has outlined the process to fill his vacant Position 7 seat.

The board of trustees will appoint a qualified individual to fill the seat in the interim, serving until the current term expires in May 2027. Applications for this appointment are being accepted during normal business hours (Monday through Friday, 8 a.m. to 5 p.m.) at the San Jacinto Community College District Administration Building, located at 4624 Fairmont Parkway, Suite 200, in Pasadena. Applications are also accepted by email.

Those wishing to be considered for the interim appointment must meet the following eligibility requirements:

– Must have resided continuously in one of the independent school districts (Channelview, Deer Park, Galena Park, La Porte, Pasadena and Sheldon) comprising the San Jacinto Community College District, six months prior to the last date on which the candidate could file to be listed on the ballot.

– Must have resided continuously in the state of Texas for 12 months immediately preceding the filing deadline.

– Must be a qualified registered voter.

– Must be 18 years or older.

– Must be a citizen of the United States.

– Must not be a convicted felon.

– Must be aware of the nepotism law.

– Must serve without compensation.

– Must not have been determined mentally incompetent by a final judgment court.

"As we begin this process, our goal is to identify an individual that shares our deep commitment to higher education, believes in the potential of our students and understands the important role San Jacinto College plays in our community," said Mims. "We look forward to a thoughtful and deliberate process that results in a strong addition to our Board of Trustees."

May 2027 election

The appointed trustee will serve until the next official election cycle. Voters living across the college's districts – which include La Porte, Deer Park, Pasadena, Galena Park, Channelview, Sheldon and portions of Clear Creek, Pearland and Humble – will choose the permanent representative for the position on May 1, 2027.

Elections for the seven numbered, at-large positions on the San Jacinto College Board of Trustees occur every two years in odd-numbered years, with trustees serving six-year terms. The application window for candidates seeking a spot on the May 2027 ballot will open on Jan. 13, 2027, and close on Feb. 12, 2027.

The full application for appointment and an accompanying timeline can be accessed on the San Jacinto College Board of Trustees website at sanjac.edu/about/board-trustees/board-election.

More than four months after his death, the medical examiner's office ruled missing tattoo artist Julian Issac's death an accidental overdose. According to Harris County Institute of Forensic Sciences, his death was due to acute toxicity due to combined effects of cocaine and alcohol. Found Saturday, June 19, in the 11800 block Teaneck, Issac made citywide headlines after initially being reported as missing.

Harris County commissioners during a special session Oct. 28, approved new controversial precinct maps. Done once every 10 years following the U.S. Census, the redistricting measure passed 3-2, along party lines in the Democrats' favor. Despite taking input from the community for several weeks, the approved maps – known as the Ellis 3 map after Precinct 1 Commissioner Rodney Ellis who introduced the late proposal – were not made available to the public until the night before the vote. Under the new plan, the South Belt community will switch from Precinct 1, currently served by Rodney Ellis, to Precinct 2, currently served by Adrian Garcia. The South Belt area had been in Precinct 1 for at least 50 years. El Franco Lee Park, however, will remain in Precinct 1, despite pleas from South Belt community leaders.

Pasadena ISD officials broke ground on the future Thompson Intermediate campus Oct. 28. The $39.5 million project is part of a voter-approved 2017 school bond issue. Located in the 8700 block of Hughes Road near Melillo Middle School, the 178,000-square-foot replacement school will be able to accommodate 1,200 students, roughly 200 more than Thompson's current enrollment. The school's existing campus suffered extensive flood damage during Hurricane Harvey in 2017. The new campus is expected to open in August 2023.

A traffic stop led to a felony drug arrest around 11:10 p.m. Sunday, Oct. 12, near the Gulf Freeway and Edgebrook, an area known for high crime and narcotics activity. According to Precinct 8 officials, driver Ronald Keith Hugonnett was stopped by deputies in the 10100 block of the Gulf Freeway for violating multiple infractions. After establishing probable cause, Precinct 8 K9 Deputy K. Peters conducted a search of the vehicle, which yielded 28 grams of marijuana and 3 grams of cocaine. Hugonnett, 41, was arrested and charged with possession of a controlled substance. His bond was set at $10,000.

Dawson defeats JFD fooball in 19-6A play

Visiting Dawson emphatically punched its ticket to the postseason varsity football playoffs following a 46-3 victory over Dobie Oct. 30 at Veterans Stadium in Pasadena as the Longhorns slipped to 3-6 overall this season with a remaining road game at Alvin coming Nov. 6.

The Longhorn defense held the Eagles to a three-and-out on the opening possession of the game.

From there, Longhorn junior running back Adrian Taylor eclipsed 1,000 yards rushing for the season with a pair of carries to open the first series for the locals.

But the drive stalled from there, and the Eagles controlled things for much of the way in the first half on the way to a 33-3 lead at the intermission.

The Longhorns got a 35-yard field goal from Nathanael Campos with just over four minutes to go in the first half for what would be the lone score of the game for Dobie.

On the same night in Alvin, the playoff picture within the District 19-6A ranks was solidified at least in terms of the qualifiers.

Shadow Creek defeated Pearland to essentially claim the district championship with a week remaining, while the Oilers, despite the loss, will represent the district as the top seed in the Division 1 postseason bracket moving forward.

Dobie running back Tyler Owens (7) works upfield on the interior of the Dawson defense for a short gain during the Eagles' victory over the Longhorns Oct. 30 at Veterans Stadium in Pasadena. Also in on the play for the Longhorns is tight end Juan Arredondo (88).

McDonald's hoops tips off Nov. 19-21

Defending gold bracket champions San Antonio Brennan in both the Division 1 gold varsity boys and varsity girls brackets return along with two-time defending 6A girls state champion Summer Creek headline the 2026 McDonald's Texas Invitational, which returns to the area Nov. 19-21 as the premiere early-season basketball extravaganza.

A season ago, fans saw the San Antonio Brennan boys outlasting Atascocita 64-54 in the Division 1 gold bracket championship game, while the Brennan girls took down Dawson in a thrilling 60-58 finale two highlight the 72-team event.

Each of those teams return for another run at the finale at Phillips Field House in Pasadena Nov. 21, which will for the first time include a 3-point shooting contest open to the public.

The Summer Creek girls lost to Brennan in the Division 1 gold bracket semifinals in 2025 yet went on to claim a second consecutive 6A state championship.

Summer Creek will no doubt headline the girls' field, which once again includes several of the state's top-ranked programs within the 24-team field.

Both Dobie campuses as well as Beverly Hills Intermediate will be host sites along with each of the Pasadena ISD high school campuses, Phillips Field House and two Deer Park campuses as 80 games play out across 10 locations Nov. 21.

There will be a second day of pool play games in the girls divisions Nov. 20, while the boys will contest things in bracket play both Nov. 20 and Nov. 21.

Longhorns relish in season success as Jasso reaches state meet

The Dobie varsity boys cross-country team turned in an exceptional 2026 season, winning the 19-6A team championship and ultimately finishing 13th overall at regionals. Members of the team are, left to right, Ruben Flores, Jaden Moron, Josue Rodriguez, Cruz Jasso, Jordan Roman, Gevan Vega, Jorge Rodriguez, Matthew Dunn and Josiah Wilkins. Robert Pheister is not pictured.

Junior Cruz Jasso became just the third Dobie runner to reach the state championship meet at the Class 6A level.

Pioneer runners compete at state

The Lutheran South Academy cross-country program was represented at the Texas Association of Private and Parochial Schools state championship meet Oct. 26 at the Cottonwood Creek Golf Club in Waco.

Junior Brock Boessling was the Pioneer's top boys finisher as he was 32nd at the 5,000-meter distance in a time of 18 minutes, 11.20 seconds.

Senior Nicholas Pena concluded his career with a strong finish, taking 37th place in a time of 18:24.20.

Two other seniors, Reese Catron and Gabe Diaz, also competed for the Pioneer. Catron's time of 21:12.00 was 90th, and Diaz was 103rd with a time of 21:53.60.

With a time of 15:21.70, Isaac Knape was the overall gold medalist as the St. Thomas senior led the Crusaders to the overall team championship by a wide margin.

Lutheran South finished ninth as a team in the boys division.

In the varsity girls 2-mile race, Braelyn Hagge of Lutheran South, a sophomore, placed 78th with a time of 14:54.60.

Jocelyn Rodriguez, a junior, was 85th with a time of 15:18.30. Sophomore teammate Ellie Pfeiffer placed 92nd with a time of 15:36.70.

Girls' high school basketball season starts Nov. 6 across Texas

The varsity girls basketball season will begin Nov. 6 across the state as the Dobie girls begin their third season under the guidance of head coach Rachel Flores and will play a pair of road games during opening-week action.

The Longhorns will play at Baytown Sterling to begin the regular season Nov. 6, with the varsity game beginning at 7 p.m. Moving ahead to Nov. 10, Dobie will play at Eisenhower in a 5:30 p.m. varsity game.

The Clear Brook program will also open the season on the road Nov. 6, taking on Alief Hastings in a 7 p.m. varsity game.

The Wolverines will then host Galveston Ball Nov. 10, beginning at 7 p.m. Clear Brook and the rest of the Clear Creek ISD field will play host to the annual Peggy Whitley Classic Nov. 12-14 as many of the top programs from across the Houston area will vie for the championship.

Both Clear Brook and Dobie will be aiming to build early success during the non-district portion of the schedule before preparing to take on what will be challenging district races.

Neither the Wolverines nor the Longhorns were part of the postseason a season ago, but each season brings renewed hope and confidence. Dobie will be part of the McDonald's Texas Invitational and will play home games on campus at Dobie main both Nov. 19 and Nov 20. From there, the tournament will shift to trophy bracket play Nov. 21. The *Leader* will have a full layout of the MTI schedule in the Nov. 12 issue.

Mykayla Mendez (32) excelled as a sophomore a season ago in her varsity debut and will no doubt lend more to the team this season. Mendez was a second team All-District selection last season.

Senior Tiara Charles (24) was a second team All-District selection a season ago for the Dobie varsity girls basketball program and will return to provide scoring and rebounding for the locals as the season tips off Nov. 6.

to end the regular season, have also reached the postseason. Dawson will head to the Division 1 bracket as the No. 2 seed, while Manvel will be the second seed in the Division 2 bracket.

The folks at *Dave Campbell's Texas Football* magazine were 100 percent correct on their preseason selections as those editors had the talent-laden Shadow Creek program winning the league title ahead of defending champion Pearland, with both Dawson and also Manvel heading to the playoffs.

That is indeed how things will shake out moving forward.

As for the Longhorns, they will aim to close out the regular season with a victory over the Yellowjackets as both programs have scored a pair of district victories to this point in the schedule.

Dobie running back Faraell Sims (23) gets a block from teammate Ezekiel West (39) and finds an opening through the middle of the Dawson defense as the Longhorns took on the Eagles Oct. 30 at Veterans Stadium in Pasadena. Dawson came away with a 46-3 victory.

On the final day of the tournament, Nov. 21, trophy bracket games will take place at each of the 10 locations. Phillips Field House in Pasadena will once again post the boys and girls Division 1 gold bracket championship games Nov. 21.

The Dobie varsity boys and girls teams are both part of the Division 2 bracket. The Longhorn boys will host Cypress Fairbanks at 9 a.m. and then take on Angleton at 1:30 p.m.

The Longhorn girls, meanwhile, will host Clear Springs at noon and then challenge Dripping Springs at 4:30 p.m. The JFD girls will return to action Nov. 20 in a pool play game at 1:30 p.m. against Kempner.

Tickets for the big event may be purchased via 3-day tournament pass or in single game form. Three-day tournament passes may be purchased via texasinvitational.com at $40 each on or prior to Nov. 19.

Adult single day passes for attendance to any location for $15 each, while student and senior tournament passes are $30 for all three days or $12 for a single-day pass.

Single-game student tickets are $3 each.

Proceeds from the tournament will again benefit the Pasadena ISD and Deer Park ISD education foundations.

Thompson seventh-grade A running back Eddie Varela navigates the sideline while trying to get past Ivan Villasquez (13) of Beverly Hills as the two teams tangled in action to close the regular season at Dobie main.

Thompson and Beverly Hills put together a terrific battle on the football field in the seventh-grade B division as the game went down to the final minutes. On this play, Keiden Torres Burgos (21) of Thompson tried to break through the tackle of Bear defender O'Quinn Lockett (2).

Thompson, BHI tangle on football field ahead of playoffs

Dobie varsity football head coach Danny Fitzmorris was on the field throughout both days of action between Thompson and Beverly Hills as he delivered encouragement to the players after the action. Fitzmorris is obviously excited to get many of these players into the JFD program in the near future.

Tommy Nguyen (14) of the Beverly Hills eighth-grade B division 2 looks for running room as he encounters tackling effort from Cameron Joseph (3) and Grayson Duncan (6) of Thompson. The Lions went on to capture a victory in the game at Dobie main.

During a highly competitive eighth-grade A division game, Thompson's Jonathan Shaw (23) carries the ball as he gets blocking help from Jayden Hernandez (1). Beverly Hills defensive players include Jabriam Washington (7) and (14) Brian Hernandez.

In the eighth-grade A division game between Beverly Hills and Thompson, Beverly Hills runner Isaiah Shepherd (4) aims to pick up yardage while getting a block from Aydyn Davis as Thompson's Delano Oliver (52) moves in for a tackling attempt.

Landon Piquet (8) of Thompson made one of the most impressive runs of the day for a score against Beverly Hills as he gave the Lions a big lead in the game. Thompson controlled much of the neighborhood series against the Bears to close out the regular season.

O'Quinn Lockett (2) of Beverly Hills races down the sideline toward the end zone while trying to get past a Thompson defender in the 7th-grade B football game between the two programs at Dobie. The action was intense throughout as the annual neighborhood rivalry was as exciting as ever.

Thompson seventh-grade A runner Liam Royal (5) had a huge day against Beverly Hills as the two programs battled for supremacy within the Pasadena ISD ranks. Royal and his Lion teammates won the game.

The Thompson Intermediate seventh-grade B division volleyball team captured the Pasadena ISD Division 1 regular season championship with a terrific display of play during the season. Members of the team are, left to right, (front row) Aleixa Lozano, Savanna Rodriguez, Melinda Gonzalez, (middle row) Payton Meyer, Zoraya Vargas, Elyane Reyes, Ava De Ochoa, July Nguyen, Saniya Lungs, (back row) coach Kameron Eloph, Haliey Perez, Camila Corpus, Alaysia Lewis and Lordess Babbs.

Second-place Barbers Hill has produced 450 points on the scoreboard through nine games this season, and senior quarterback Luke Babin leads the district with 24 touchdown passes, 1,748 passing yards and only three interceptions.

Football playoff qualifiers step up in District 18-6A

The number on the district may have changed from last year to this year as far as the District 18-6A varsity football alignment is concerned, but little has changed in terms of the hierarchy as a defending league champion Dickinson program will repeat as champion this time around.

The Gators, 0-3 to start the season but a perfect 6-0 since the start of league play, have averaged more than 49 points per game on the way to a championship under the guidance of longtime head coach John Snelson.

In the latest round of action Oct. 29, the Gators put a 49-24 whipping on Clear Falls then will post last-place Clear Brook in the regular season finale Nov. 6 at Sam Vitanza Stadium in Dickinson.

The Gators will not be caught looking ahead but certainly cannot be blamed if they are already thinking about a host first-round playoff game against Atascocita the second week of November. Atascocita will take on Summer Creek to decide third place in the District 17-6A race, with both teams headed to the postseason.

Summer Creek will join C.E. King in the Division 2 bracket, while North Shore will be the top seed in the Division 1 bracket out of 17-6A and will host Deer Park, also likely Nov. 13.

Barbers Hill, a newcomer to the Class 6A ranks this season, will advance to the playoffs as the top seed in the Division 2 bracket out of 18-6A and will go against Summer Creek.

The Eagles, bouncing back from a loss to Dickinson Oct. 16, solidified its grasp on second place following a 31-24 home win over Deer Park in a back-and-forth affair.

Barbers Hill, 8-1 overall and 5-1 in district action, will close the regular season at host Clear Springs in that all important game for the Chargers.

Deer Park, which started the season at 7-0 but has since dropped consecutive games to Dickinson and Barbers Hill, will still advance to the playoffs as the second seed in the Division 1 bracket and will play at Galena Park ISD Stadium against North Shore.

The only thing left to be decided within the 18-6A alignment is that second Division 2 seed, which will go to either Clear Lake or Clear Springs.

Intrigue remains within the race as far as the second seed in the Division 2 bracket is concerned.

Clear Lake, which defeated Clear Springs 28-14 Oct. 30 for its first victory over the Chargers since the 2008 campaign, has a chance to jump over the Chargers for a playoff spot with a win over Clear Creek in the season finale coupled with a Springs loss to Barbers Hill.

Clear Springs has an 18-year playoff streak intact heading into the finale against Barbers Hill, but now must deal with one of the more explosive offenses in the region while going up against the Eagles Nov. 6 at Challenger Columbia Stadium in Webster.

On the same night in League City at CCISD Veterans Stadium, the Falcons will tangle with the Wildcats in the oldest rivalry within Clear Creek ISD.

Suddenly, this rivalry game will carry more importance than any other in perhaps more than 15 years. The eventual winner will go up against C.E. King.
